

a few new guidelines,

SAME WARM HOSPITALITY, SAME GREAT WINES!

WHAT YOU SHOULD EXPECT WHEN VISITING OUR TASTING ROOMS

We want all of our guests and team members to feel comfortable and safe so everyone can enjoy their experience.

We ask that you please take a moment to review a few new rules.

TASTING EXPERIENCES ARE BY APPOINTMENT ONLY

Guests must have an appointment for all tasting experiences and all experiences are private. We will only accept group sizes of 6 or less, 21 and older. At this time, we are not allowing dogs unless they are service animals.

FACE COVERINGS ARE REQUIRED IN ALL PUBLIC AREAS

Our team members are required to wear facial coverings at all times. We respectfully request our guests to wear facial coverings at all times when not seated at their designated tasting area.

ENHANCED CLEANING MEASURES

Our Tasting Rooms and Wineries are observing elevated cleaning and sanitation protocols that meet or exceed public health recommendations. Each guest will have ample access to sanitation stations on the property and should frequently and thoroughly wash their hands.

SAFETY FIRST, WINE SECOND

Each tasting flight will be pre-poured upon arrival to avoid unnecessary close proximity between our team and guests. Sanitized glassware, but no dump buckets will be provided. Single use Tasting Menus will be provided and water will be available in bottle upon request.

PLEASE AVOID ENTERING THE FACILITY IF YOU ARE EXPERIENCING KNOWN SYMPTOMS OF COVID-19

If you are experiencing any known symptoms of COVID19, we ask that you avoid entering the facilities; we also ask that guests take their temperature before arriving on the day of your reservation.

RELAX, DRINK WINE, ENJOY THE MOMENT

We are thrilled to be able to welcome you back to our Tasting Rooms. We look forward to hosting you in a space that is not only safe and sanitary, but in a space that encourages you to relax, drink excellent wine and enjoy living the #plumpjacklife.
