

estate-driven wineries committed to lifting place to it's highest potential

"If sack (wine) and sugar be a fault, god help the wicked."

- SIR JACK FALSTAFF

a brief history

1995

- Tucked in the heart of Napa Valley's Oakville AVA, PlumpJack Estate
- became the first winery in our portfolio in 1995, opening in 1997.

2005

CADE Estate Winery is the second to join our portfolio, with 54 acres sitting at 1800 ft above

2012

• sea level on the dramatic slopes of Howell Mountain. The winery opened in 2009.

2016

Inspiring its namesake as the thirteenth bonded winery in California, 13th Vineyard by CADE becomes the fourth winery in our portfolio, making us the largest landowners on Howell Mountain.

· 1992

Gavin Newsom establishes PlumpJack
Wines on Filmore Street in San Francisco
with a vision of creating a wine-buying

experience that was approachable and non-intimidating.

1998

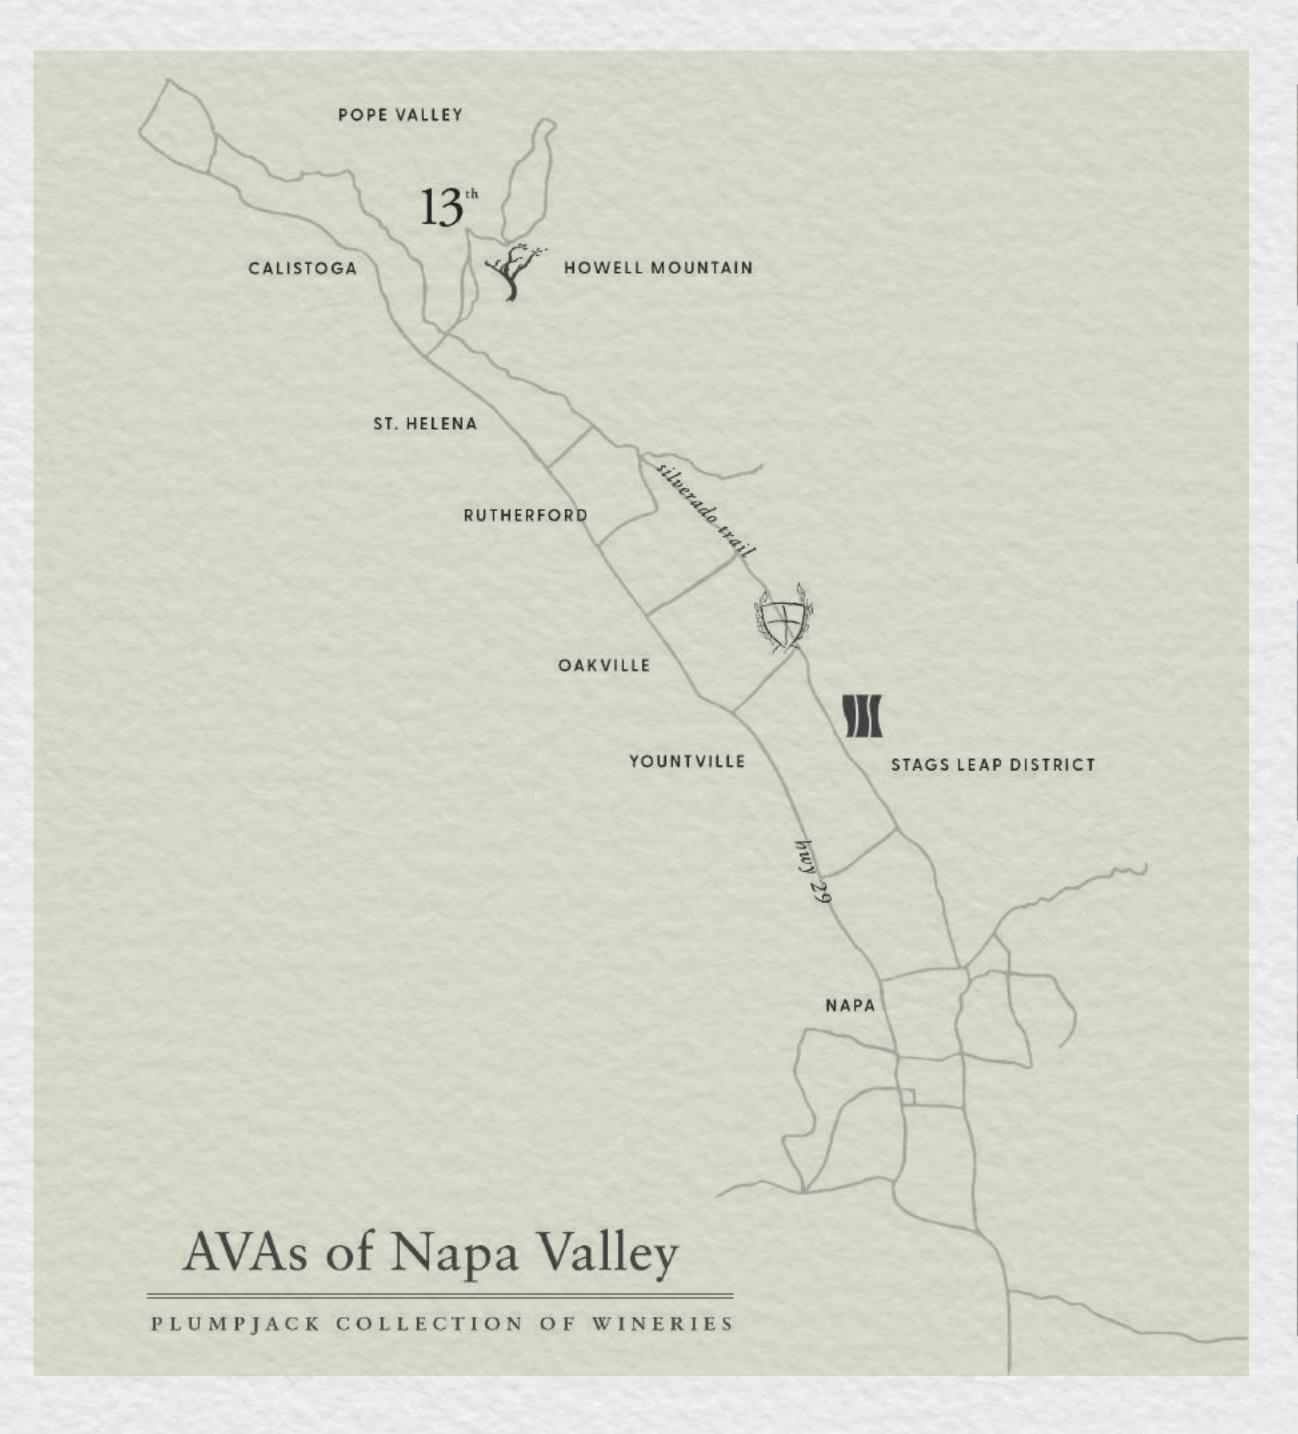

John Conover becomes General
Manager of PlumpJack Estate Winery
(and future partner in CADE and Odette
Estate Wineries), working towards
building an estate dedicated to crafting

a wine reflective of its appellation.

Nestled in the Stags Leap District AVA, Odette Estate becomes the third winery in our portfolio and the second to achieve LEED Gold Certification.

2022

By acquiring the 129-acre Oso Vineyard, we've secured the future of our portfolio and the primary source of fruit for Adaptation.

PLUMPJACK ESTATE WINERY

Founded: 1995

Varietals: Cabernet Sauvignon, Syrah, Merlot, Chardonnay

AVA: Oakville

Winemaker: Aaron Miller

CADE ESTATE WINERY

Founded: 2005

Varietals: Cabernet Sauvignon, Sauvignon Blanc

AVA: Howell Mountain | Elevation: 1800 ft.

Winemaker: Danielle Cyrot

ODETTE ESTATE WINERY

Founded: 2012

Varietals: Cabernet Sauvignon, Petite Sirah, Chardonnay

AVA: Stags Leap District Winemaker: Jeff Owens

13TH VINEYARD BY CADE

Founded: 1886 | Acquired: 2016 Varietals: Cabernet Sauvignon

AVA: Howell Mountain | Elevation: 1800 ft.

Winemaker: Danielle Cyrot

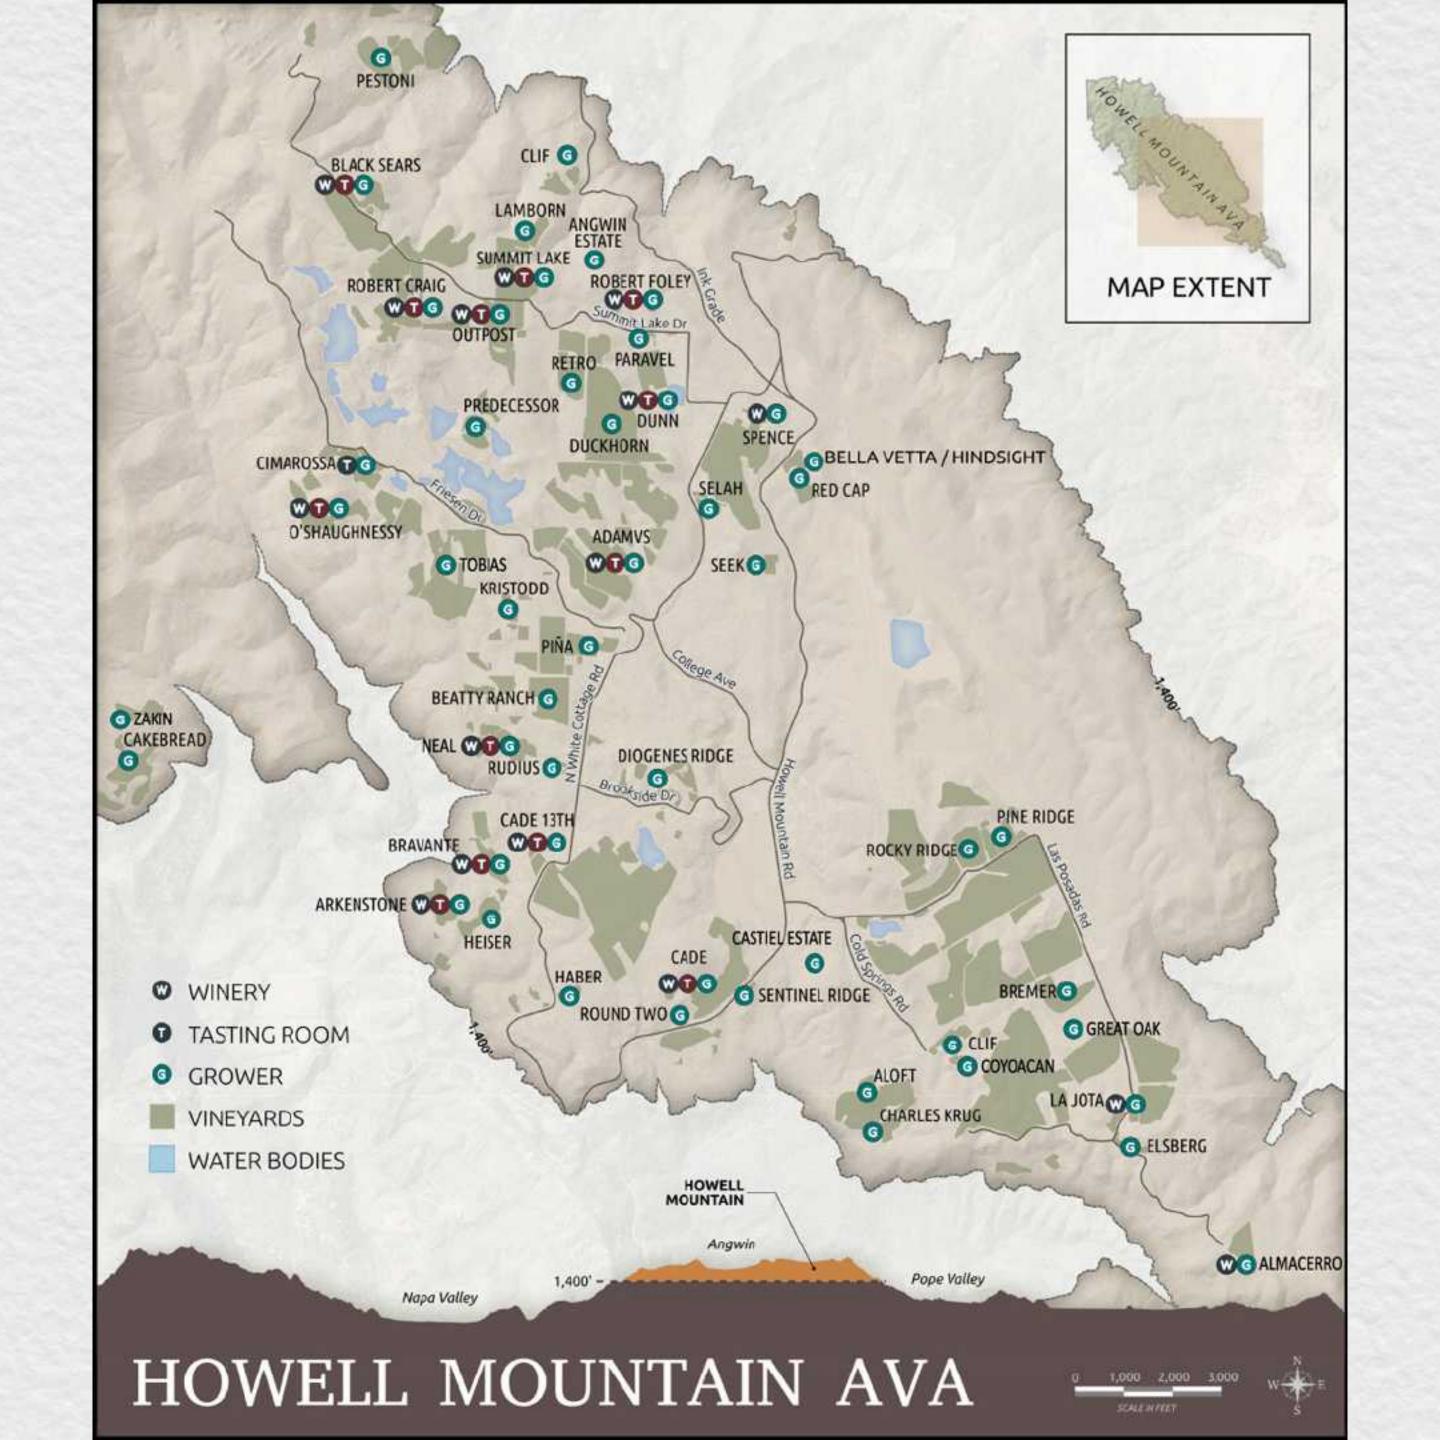

OSO VINEYARD

Acquired: 2022

Varietals: Cabernet Sauvignon, Petite Sirah, Sauvignon Blanc

Region: Napa Valley | Elevation: 1300 ft.
Winemakers: Jeff Owens, Danielle Cyrot

THE VINEYARD

Howell Mountain

With over 100 acres under vine on Howell Mountain, we grow wine at a historic Estate dating back to 1886 and a modern Estate pushing all conventional thinking when it comes to a place and a non-interventionalist winemaking style.

The two unique properties work together to further enhance the stunning quality of CADE wines. The marriage of these two places allows us to honor the past and embrace the future!

CADE Estate Winery

- Founded in 2005
- Elevation of 1800 feet
- LEED Gold Certified
- 54 acres, 21 planted to vines

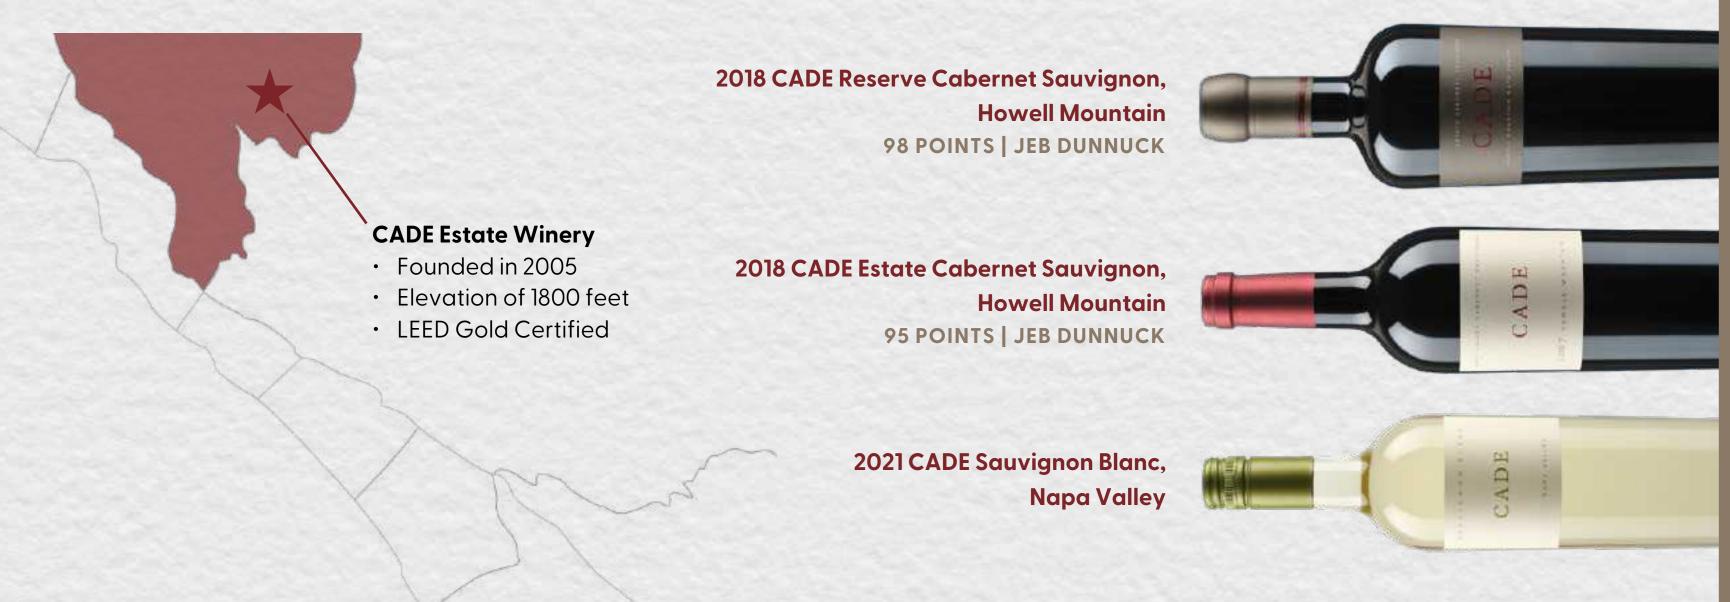

13th Vineyard by CADE

- 13th bonded winery in California
- Founded in 1886
- 185 acres, 82 planted to vines

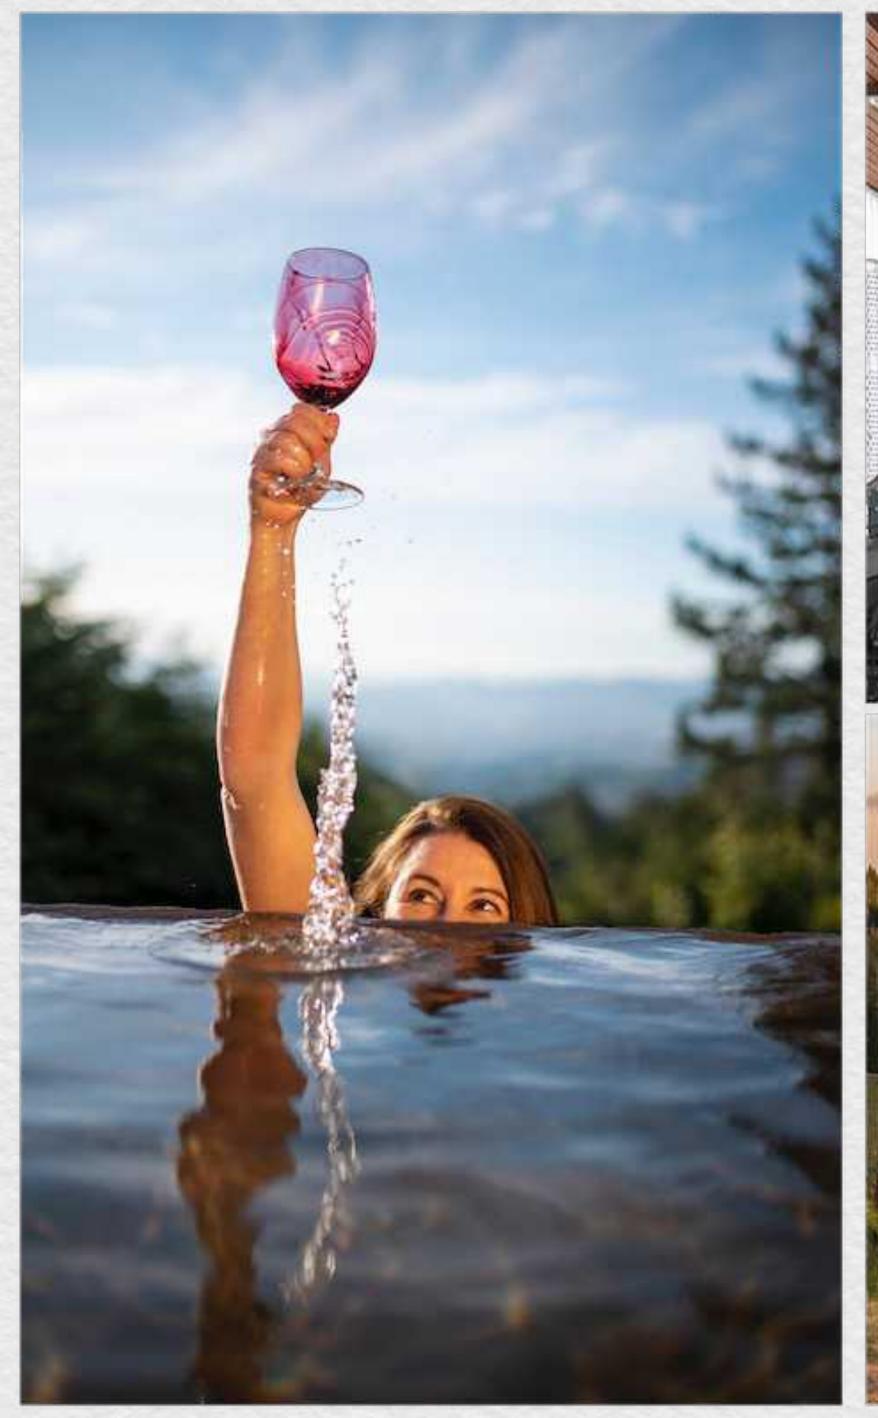

CADE Estate was the first LEED Gold Certified winery in Napa Valley and one of Northern California's architectural treasures.

The volcanic soil and steep grades create excellent drainage resulting in dense, concentrated fruit character while cloud inversion allows maximum daily sun exposure and increased photosynthesis which develops phenolic ripeness as compared to sugar ripeness.

Sitting at an elevation of 1,800 feet on Howell Mountain, our state-of-the-art winery affords panoramic views from the valley floor to the Mayacamas Mountains and as far south as Mount Diablo.

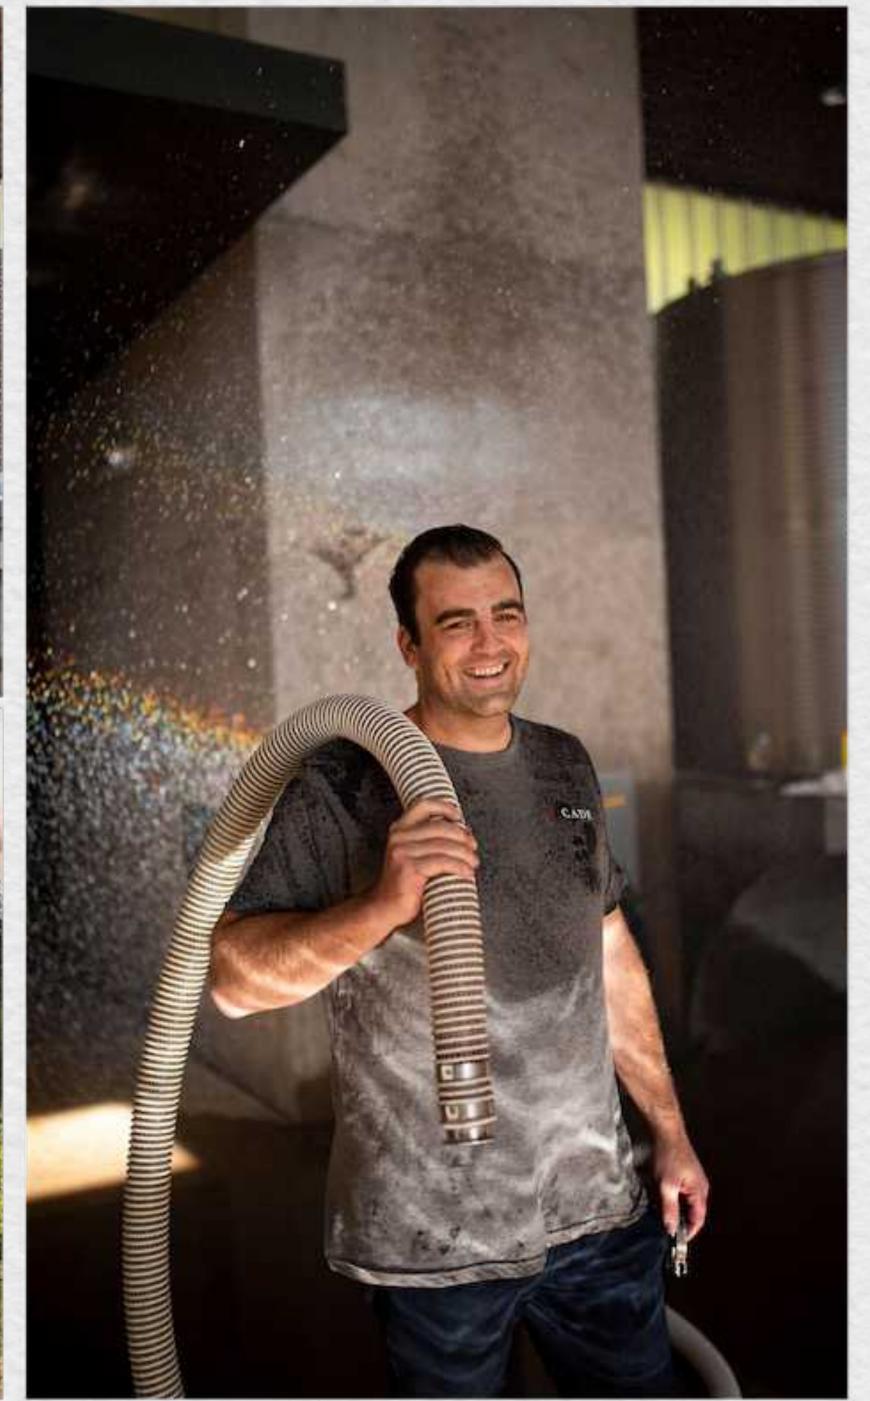

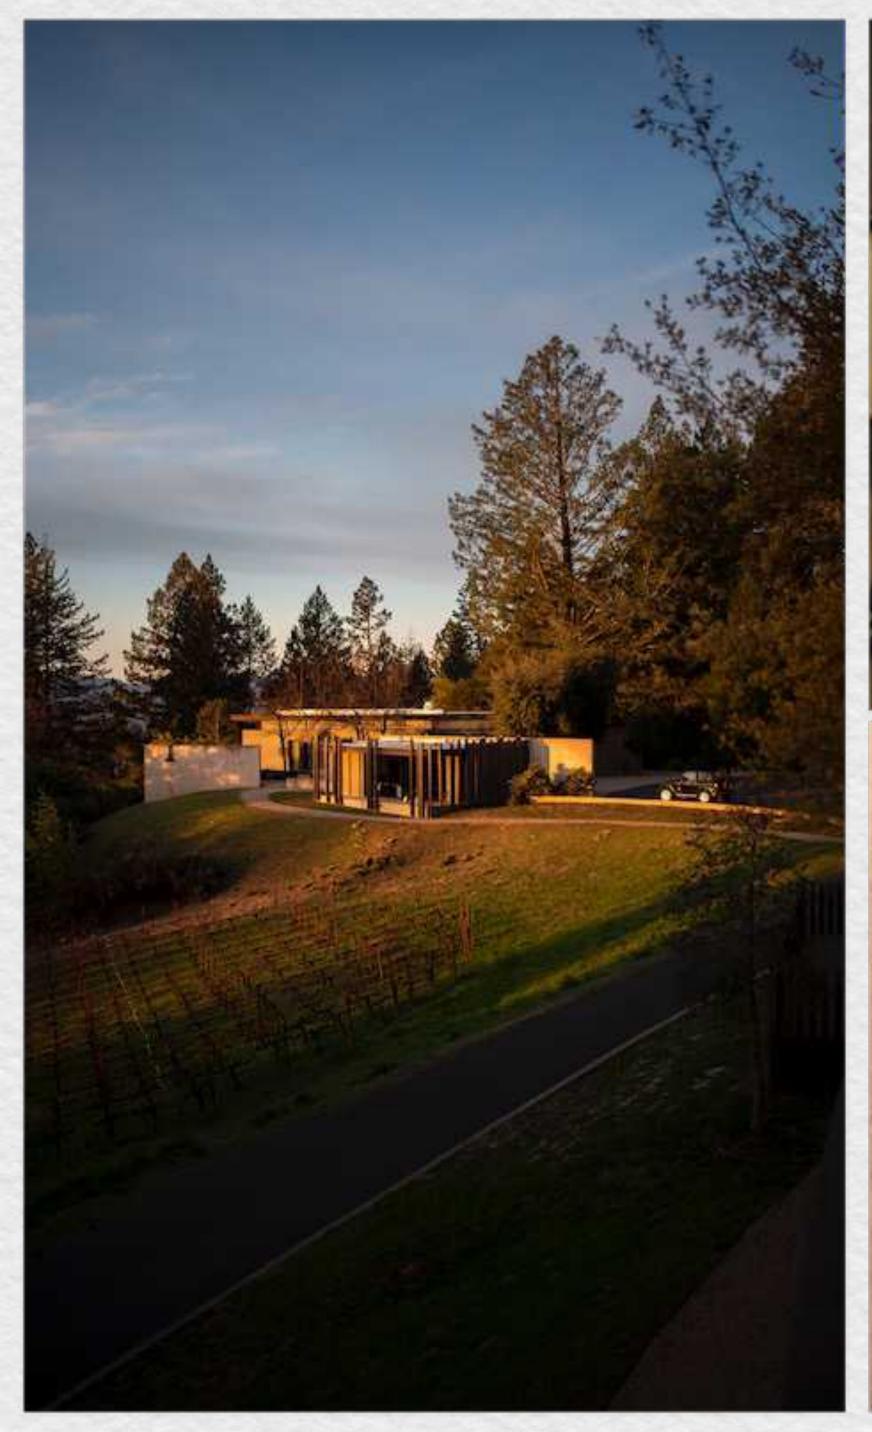

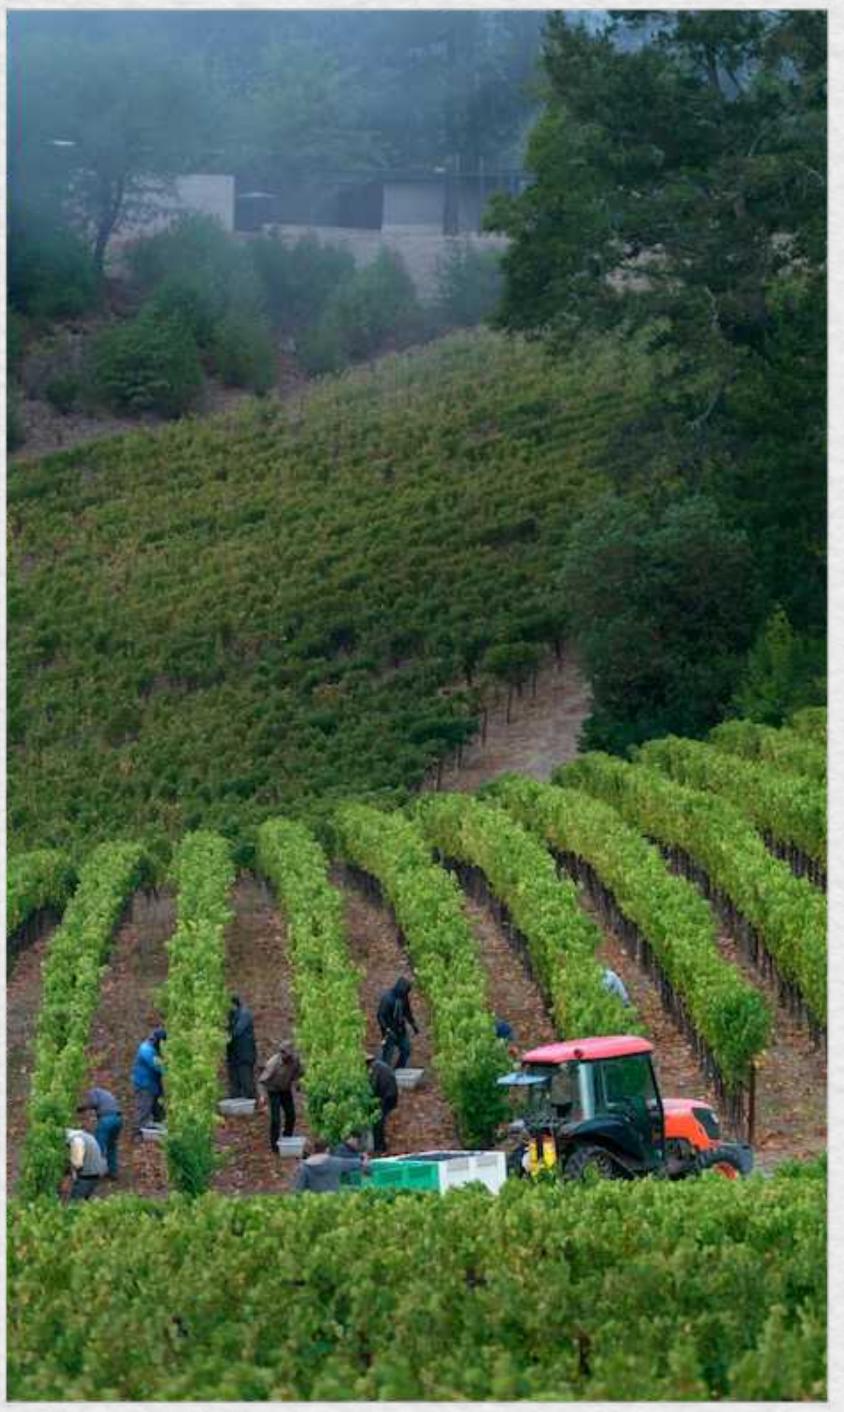

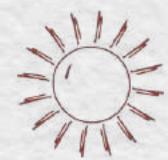

green, elevated

We are proud to be Napa Valley's first organically farmed, LEED Gold Certified Estate Winery. In 2010, CADE Estate Winery was awarded LEED (Leadership in Energy and Environmental Design) Gold Certification by the U.S. Green Building Council.

60% of the property is maintained as a natural landscape

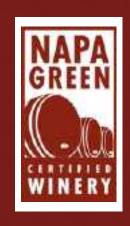

Solar panels generate 99% of annual average energy needs

67% reduction in overall water consumption

BENEFITS TO BUILDING LEED

- ✓ Minimizes the environmental impact on your land and the land of your neighbors
- ✓ Conserves water, energy and materials
- ✓ Enhances the importance of social responsibility to that of the construction team and employees
- ✓ Healthier work environment for your employees
- ✓ It's the right thing to do

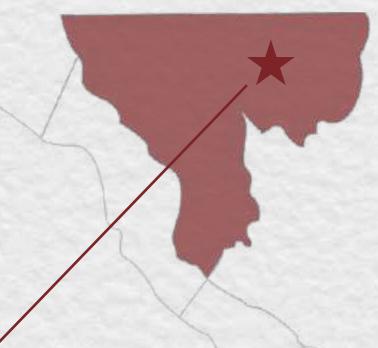

As the crow flies, about a half mile over from lies the seldom-told story of an extraordinary winery, 13th Vineyard by CADE.

Its roots inspired the winery's namesake as the thirteenth bonded winery in California, dating back to the 1800s when Jean Brun, a native of Bordeaux, and Jean V. Chaix, were one of the first to plant Medoc grapes on the Estate. In 1886, the duo built a three-story gravity-fed winery made of stone.

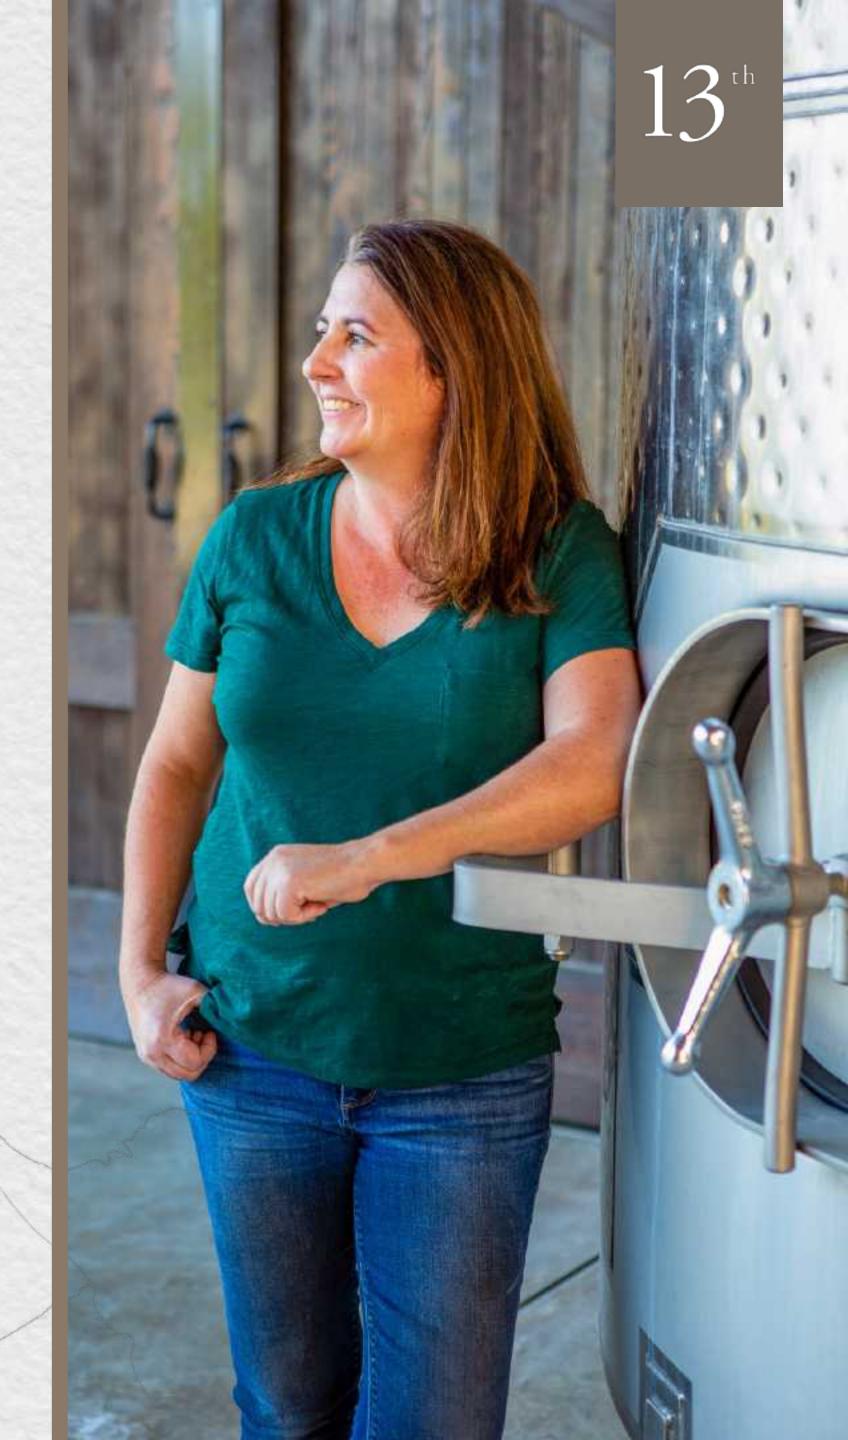

Acquiring this property allowed us to rediscover the past and grow into the future, evolving the production of our Estate-driven wines, many of which we now make in this historic stone winery.

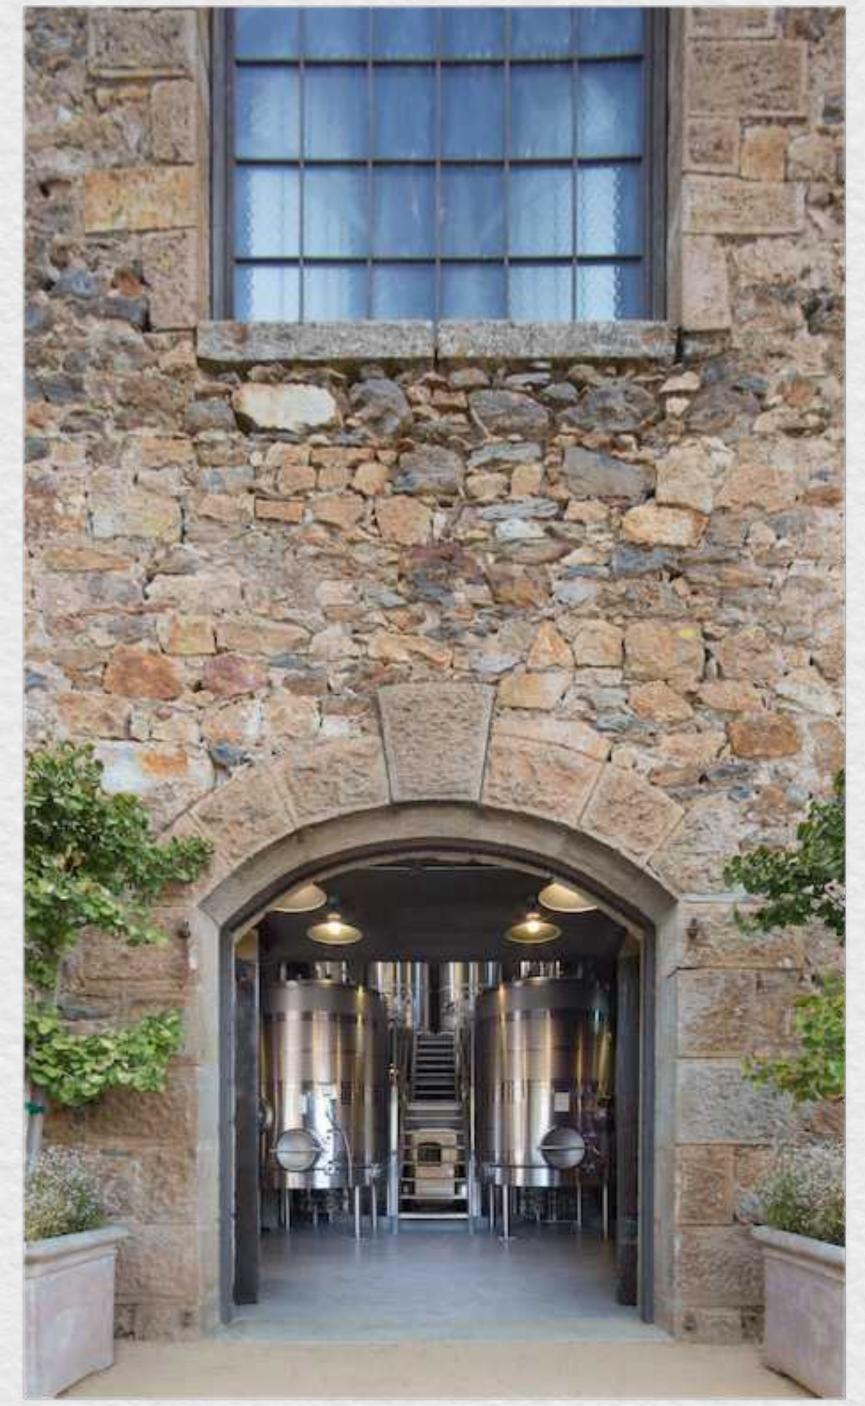

13th Vineyard by CADE

- 13th bonded winery in California
- Founded in 1886
- 185 acres, 82 planted to vines

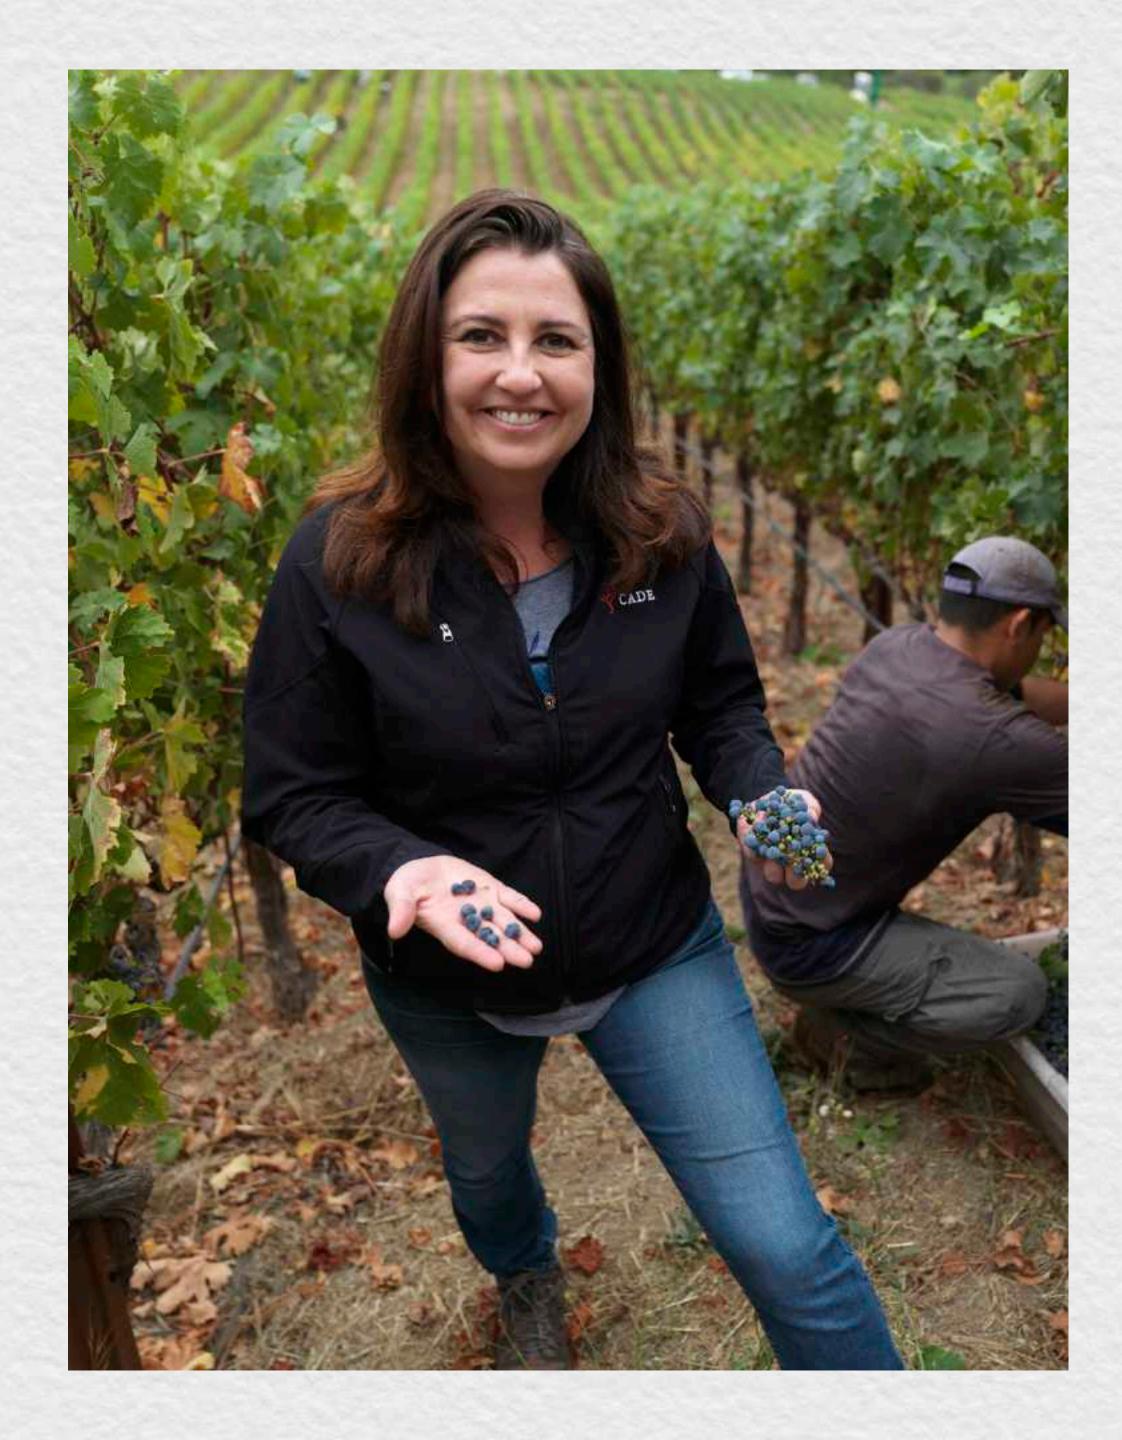

Meet Danielle Cyrot

WINEMAKER, CADE ESTATE WINERY & 13TH VINEYARD BY CADE

Growing up with a French father, Danielle spent summers as a child in France, where she learned about her family's winemaking history. Her great-grandfather was the last in a long line of ancestors who owned the Cyrot vineyard in Burgundy's prestigious Côte de Beaune.

Danielle had no plans to carry on her family's winemaking legacy when she enrolled at the University of California, Davis; however, that quickly changed when she took an introductory winemaking class and knew she had found her calling. While at Davis, she worked harvests at Schramsberg and Artesa in Napa Valley, learning the trade from the soil up. After graduating with a Bachelor of Science degree in viticulture and enology, Danielle worked abroad at wineries in Alsace, France, and South Australia.

After honing her skills overseas, Danielle returned to Napa Valley and joined Stags' Leap Winery as their Enologist. They quickly recognized her talent, promoting her to Assistant Winemaker under her mentor, Robert Brittan. During her six-year tenure, she produced world-class wines that merited her next promotion as Winemaker at St. Clement. Danielle spent the next seven years crafting elegant, structured, and notable wines that expressed her personality and what she likes in a glass of wine. In August 2012, she joined CADE Estate Winery and has become one of the most innovative, sustainability-minded winemakers in Napa Valley. Her work has helped dismantle the status quo, reframing screw caps as an acceptable closure for highend wines and defining the next generation of luxury wine packaging.

CADE ESTATE wines

"Despite all the science behind finding the perfect site to grow grapes: the soil, row orientation, microclimate, rootstock; every growing season is different. What worked well one year will not produce the same quality the next year. I must continue to look for the perfect combination of grapes, barrels, and winemaking practices. It is an ever-changing field of study that keeps me on my toes. That's why I love it!"

- Danielle Cyrot, Winemaker

Sauvignon Blanc

NAPA VALLEY

A combination of Oakville Sauvignon Blanc and skilled, fastidious farmers in Napa Valley

Reserve Cabernet Sauvignon

HOWELL MOUNTAIN

Barrel select from our 21acre, organically farmed Howell Mountain Estate vineyard

Estate Cabernet Sauvignon

HOWELL MOUNTAIN

The backbone is our Estate vineyard with additional grapes sourced from small artisan Howell Mountain growers

2021 CADE Sauvignon Blanc, Napa Valley

VINTAGE

In 2021, 28% of the fruit came from our Estate vineyard in Oakville and 18% from the CADE 13th Vineyard on Howell Mountain. We also worked with three other properties: Stanley Vineyard (24%), Berggruen in St. Helena (20%), and Juliana Vineyard in Pope Valley (10%). The grapes were harvested from August 6–September 9, 2021.

FERMENTATION & AGING

Fermentation was carried out in a combination of stainless-steel tanks and drums (87%) and new French oak barrels (9%). Ten different strains of yeast were used to ferment the juice. Fermentation lasted for an average of 20 days at an average temperature of 56°F with no malolactic fermentation occurring. The wine aged in Stainless steel tanks and barrels for 5 months. The barrels and stainless-steel drums were aged sur lies without stirring the lees.

WINEMAKER IMPRESSIONS

Our 2021 Sauvignon Blanc has aromas of guava, green apple, lemon, lime, white peach, lemon grass, green melon, and orange blossom. In the palate are flavors of citrus, banana, Meyer lemon, pineapple, mango, lemon meringue, cantaloupe, and grapefruit. The wine finishes with a bright acidity, a touch of minerality, and a nice creamy mid palate texture. Sourcing Sauvignon Blanc fruit from all over Napa Valley gives the wine great complexity in aroma and flavor. Fermenting the juice in stainless steel preserves the wonderful, varied fruits of the Sauvignon Blanc grape. The small portion of juice that is fermented in new French oak barrels gives the wine a bit of texture and creaminess which helps balance the natural bright acidity of the grape. The addition of Semillon brings acidity, minerality, and a touch of lemon grass to the wine. The Viognier adds the orange blossom, cantaloupe, and viscosity to the wine.

Production: 5,860 Cases

Varietals: 84% Sauvignon Blanc, 12% Sauvignon Blanc Musqué,

2% Semillion, 1% Viognier

Alcohol: 14.2%

2018 CADE Estate Cabernet Sauvignon, Howell Mountain

VINEYARD

The CADE Howell Mountain Cabernet Sauvignon is sourced from five vineyards on Howell Mountain, including the CADE Estate Vineyard, 13th Vineyard, Ink Grade Vineyard, Cold Springs, and Eagle Summit. The bountiful 2018 vintage started on September 26th, with fruit from the Ink Grade Vineyard and finished on November 9th with fruit from 13th Vineyard.

FERMENTATION & AGING

Majority of the fermentations went through a very short maceration time between 4-6 days and hot fermentation temperatures, peaking at 92F. The must was pressed off at between 20-12 Brix and fermentation was allowed to finish in tank or barrel. The resulting wines have amazing color and big intensity.

ÉLEVAGE

The wine received 19 months barrel aging in 100% French oak from more than 20 Coopers (67% new). Malolactic fermentation occurred in barrel immediately after primary fermentation. The wine was racked quarterly once malolactic fermentation was complete.

WINEMAKER IMPRESSIONS

The resulting wine is fantastic with aromas of clove, cranberry, raspberry, coffee, cinnamon, black pepper, and coco nibs.

Gloriously pure notes of boysenberry, graphite, blackberry, coffee and dark chocolate soar from the glass and cascade over the palate. The wine is full-bodied, with an opulent, velvety texture, pure, rich with firm tannins and bold structure that is classic Howell Mountain.

Bottled: June 2020

Production: 747 Barrels

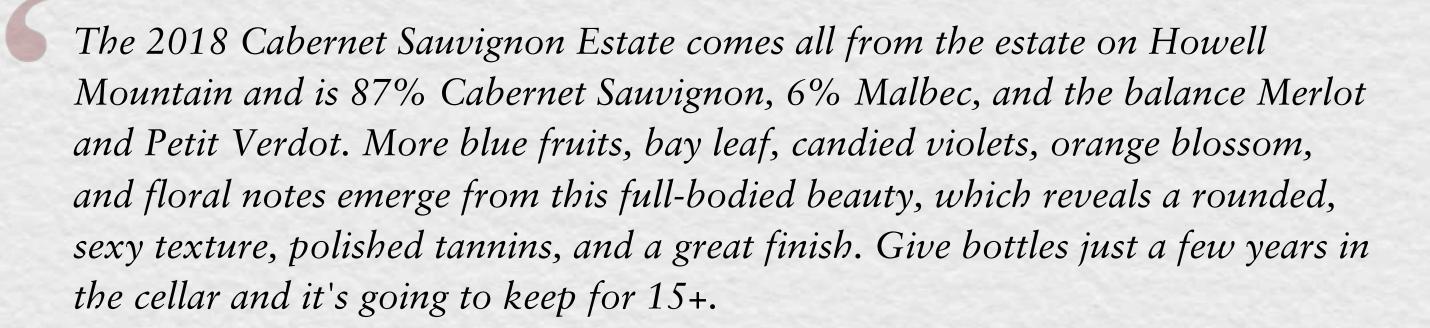

Varietals: 87% Cabernet Sauvignon, 6% Malbec, 4% Merlot, 3%

Petit Verdot Alcohol: 15.6%

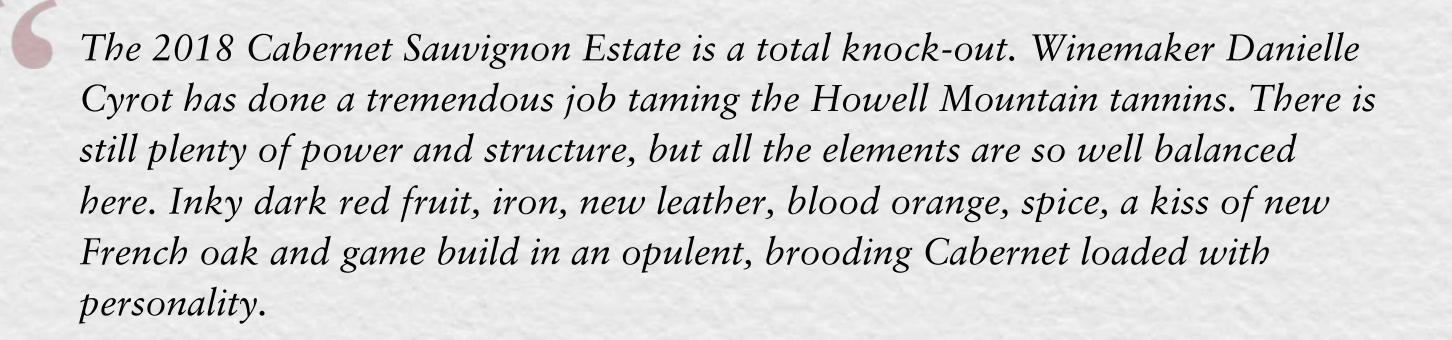

SamtleCyrot

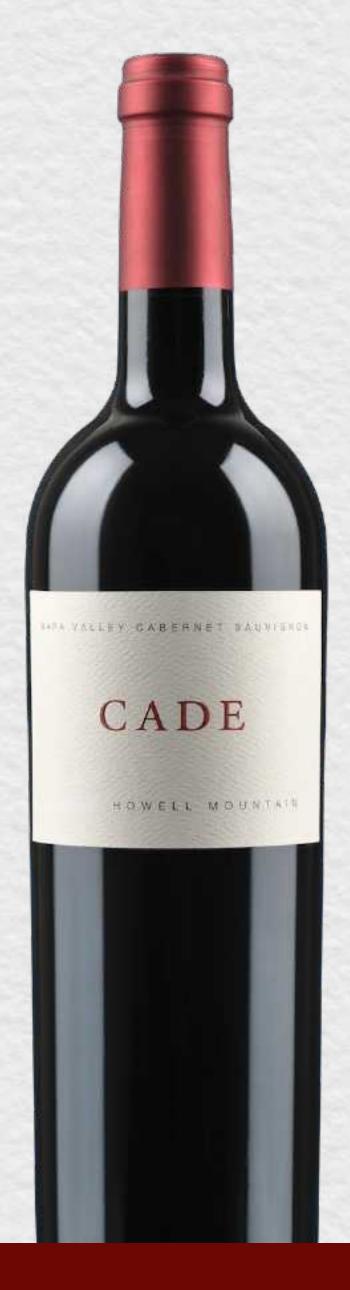

2019 CADE Estate Cabernet Sauvignon, Howell Mountain

VINEYARD NOTES

The CADE Howell Mountain Cabernet Sauvignon is sourced from four vineyards on Howell Mountain, including the CADE Estate Vineyard, CADE 13th Vineyard, Ink Grade Vineyard, and Cold Springs. The cooler 2019 vintage started on September 26th, with fruit from the Ink Grade Vineyard and finished on November 2nd with fruit from 13th Vineyard.

FERMENTATION & AGING

Majority of the fermentations went through a very short maceration time between 5-7 days and hot fermentation temperatures, peaking at 92°F. The must was pressed off at between 20°-12° Brix and fermentation was allowed to finish in tank or barrel. The resulting wines have amazing color and big intensity.

ÉLEVAGE

The wine received 19 months barrel aging in 100% French oak (80% new). Malolactic fermentation occurred in barrel immediately after primary fermentation. The wine was racked quarterly once malolactic fermentation was complete.

WINEMAKER IMPRESSIONS

In the nose are aromas of cola, blueberry, red cherry, coco nibs, baking spices, and dried cranberries. The wine has flavors of boysenberry, black cherry, elderberry, dark chocolate, clove, and licorice. The wine finishes with some bramble, amaretto, and dried blue/black fruits. The wine has classic Howell Mountain structure and tannin, big and bold but balanced in approach. The cooler 2019 vintage produced wines with higher perceived acidity and lots of red fruit flavors and aromas.

Bottled: August-September 2021

Production: 579 Barrels

Varietals: 87% Cabernet Sauvignon, 5% Merlot, 5% Petit Verdot,

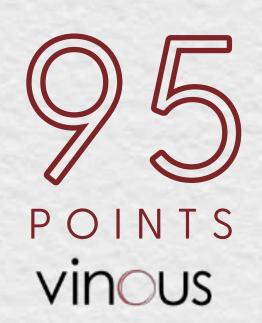

3% Malbec

Alcohol: 15.6%

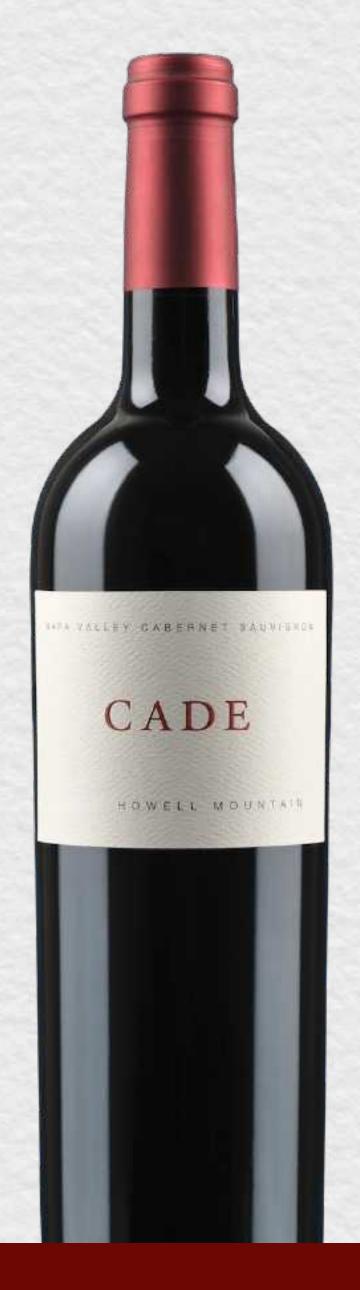

The 2019 Cabernet Sauvignon Estate is even better, with a stunning nose of black and blue fruits as well as iron, black olive tapenade, and subtle herbal nuances. Pure 2019 goodness on the palate, it's full-bodied, has ripe, polished tannins, a great mid-palate, and one heck of a finish. It's not for those looking for old school Claret, but it brings beautiful richness and depth and will shine for at least 10-12 years as well.

The 2019 Cabernet Sauvignon Estate is a huge, opulent wine. A blast of inky dark fruit, chocolate, spice, plum and menthol gives the 2019 its racy, extroverted personality. The Estate is a typical wine from Cade that balances Howell Mountain intensity with plenty of Napa Valley lushness. The 2019 is sure to be a crowd pleaser.

2018 CADE Estate Cabernet Sauvignon, Howell Mountain

VINEYARD NOTES

The CADE Howell Mountain Cabernet Sauvignon is sourced from four vineyards on Howell Mountain, including the CADE Estate Vineyard, CADE 13th Vineyard, Ink Grade Vineyard, and Cold Springs. The cooler 2019 vintage started on September 26th, with fruit from the Ink Grade Vineyard and finished on November 2nd with fruit from 13th Vineyard.

FERMENTATION & AGING

The fruit was hand picked, destemmed/whole berry, hand sorted, and pumped into small stainless steel fermentation tanks. The must was kept at 50°F for a 2-day cold soak. Fermentation was hot and fast with temperatures reaching a maximum of 92°F and the juice macerating on the skins/seeds for 6-7 days.

ÉLEVAGE

The wine was aged for 20 months in 100% New French Oak barrels. Only free run wine was used in the blend, no press fractions were selected. Racking occurred immediately after the completion of malolactic fermentation, then on a quarterly basis until bottling.

WINEMAKER IMPRESSIONS

The 2018 Reserve Cabernet Sauvignon has aromas of blackberry, blueberry, black cherry, dark chocolate, coffee, vanilla bean, graham cracker, and black currant. In the palate are flavors of boysenberry, raspberry coulis, chocolate covered espresso beans, brown spices, and red cherry. The tannins are structured and elegant. The density and mouthfeel of this wine really showcase the silky sumptuous full-bodied nature of this wine that is Howell Mountain. The 2018 vintage was bountiful, and the resulting wine is full of great fruit, mouthwatering texture, and lots of spice.

Bottled: July 2020

Production: 56 Barrels

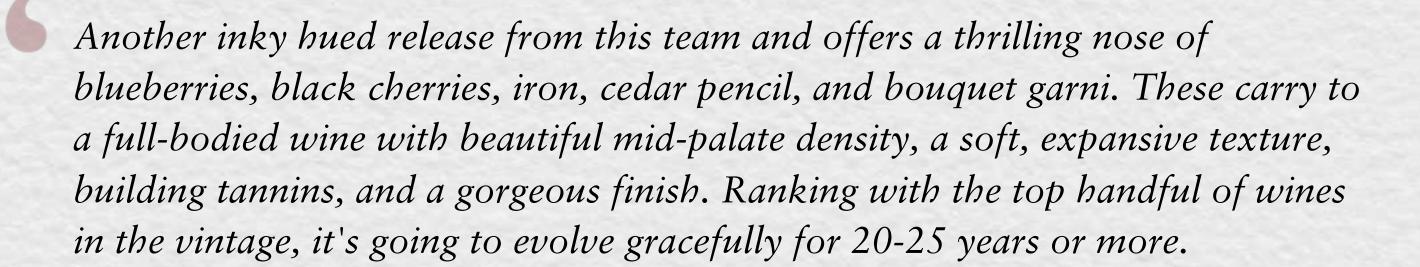

Varietals: 94% Cabernet Sauvignon, 5% Malbec, 1% Petit Verdot

Alcohol: 15.6%

Samllelyrot

Laced with dark red/purplish berry fruit, blood orange, mint, spice and rose petal. Unctuous and deep, with striking balance and tons of allure, the Reserve is superb today. This is an especially rich, creamy style for Howell Mountain, but all the elements are very nicely woven together. Here, too, tannins are beautifully integrated.

The 2018 Cabernet Sauvignon Reserve displays a deep garnet-purple color and notes of blackcurrant cordial, plum pudding, dried mulberries and mincemeat pie with touches of Indian spices, chargrill, dried Mediterranean herbs and charcoal. Full-bodied, the palate is chock-full of black fruit preserves flavors with an herbal lift and a grainy texture plus just enough freshness, finishing on a lingering smoked-meat note.

2019 CADE Estate Cabernet Sauvignon, Howell Mountain

VINEYARD NOTES

The CADE Estate is situated on a 54-acre property with 21 acres planted to vines. Located in the heart of Howell Mountain, our CADE Reserve vineyards sit at elevations ranging from 1,500 to 1,850 feet and is planted Cabernet Sauvignon, Malbec, and Petit Verdot. The 2018 vintage also features fruit from our recently acquired 82-acre property on Howell Mountain, 13th Vineyard. Fruit was harvested from October 10th through October 29th.

FERMENTATION & AGING

The fruit was hand-picked, destemmed/whole berry, hand sorted, and pumped into small stainless steel fermentation tanks. The must was kept at 50°F for a two-day cold soak. Fermentation was hot and fast with temperatures reaching a maximum of 92°F and the juice macerating on the skins/seeds for 6-7 days.

ÉLEVAGE

The wine was aged for 20 months in 100% New French Oak barrels. Only free run wine was used in the blend, no press fractions were selected. Racking occurred immediately after the completion of malolactic fermentation, then on a quarterly basis until bottling.

WINEMAKER IMPRESSIONS

The 2019 Reserve Cabernet Sauvignon has aromas of blueberry, black berry, black cherry, crème de cassis, mocha, coffee, and brown spices. In the palate are flavors of black currant, cranberry, raspberry, blueberry pie, cola, and caramel. The wine is full bodied, rich, dense, and finishes with intensity, structure, and weight. The wine finishes with a thick velvety texture, and a plethora of blue and black fruits laced with dark chocolate. The Reserve Howell Mountain Cabernet Sauvignon is a selection of the best of the vintage. The best block, best barrels, and overall, a wine that reflects the best of Howell Mountain.

Bottled: July 2021

Production: 50 Barrels

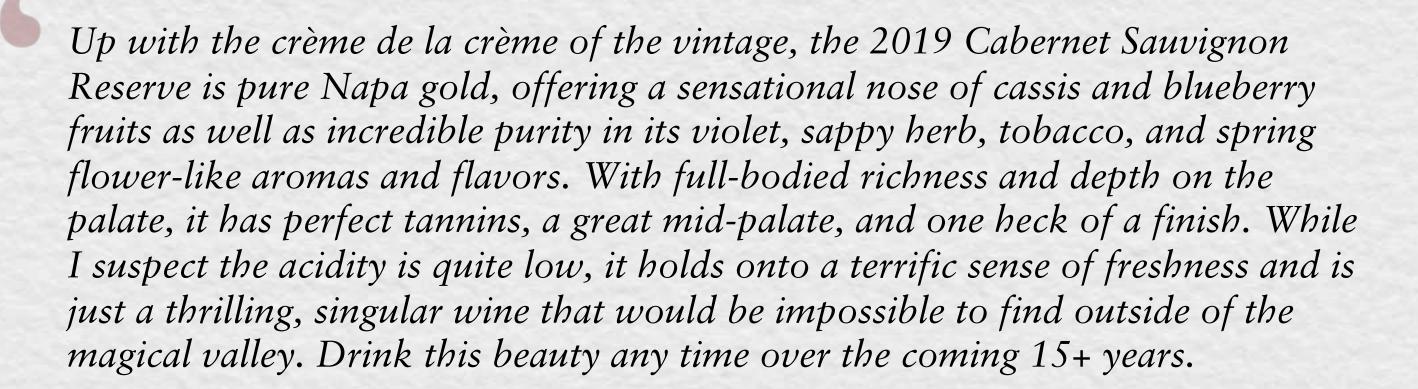

Varietals: 96% Cabernet Sauvignon, 4% Malbec

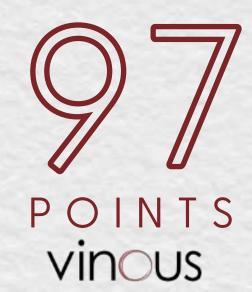

Alcohol: 15.6%

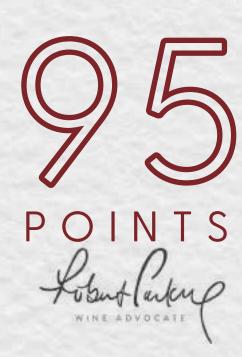

Cade's 2019 Cabernet Sauvignon Reserve is a sumptuous, savory wine. Crème de cassis, lavender, rose petal, spice, sweet new oak and incense all build effortlessly in the glass. The aromatics alone are totally beguiling. A dollop of Malbec (4%) adds lushness and texture. Here, too, the contours are pretty soft for a young Howell Mountain Cabernet.

The 2019 Cabernet Sauvignon Reserve is composed of 96% Cabernet Sauvignon and 4% Malbec. Deep garnet-purple in color, it leaps with vibrant wild blueberries, warm cassis and boysenberries scents, plus touches of garrigue, crushed rocks and fragrant earth. The full-on, full-bodied palate offers generous black fruits and an earthy undercurrent, framed by soft, approachable tannins, finishing with fantastic length.

PlumpJack Estate Winery sits in the heart of Napa Valley's renowned Oakville corridor with a historic 42-acre estate vineyard that yields an intricate array of soils, cultivating highly coveted, celebrated wines.

The east side of our vineyard lies along the foothills of the Vaca Mountain range and produces grapes with bold fruit character that comes from well-draining, Aiken, hillside soils. On the west side, our vines take root in loamy clay soils, yielding grapes with softer, more supple varietal character.

Meet Aaron Miller

WINEMAKER, PLUMPJACK ESTATE WINERY

As Head Winemaker for PlumpJack Winery, Aaron Miller brings over a decade of wide-ranging experience and an extensive education to the position, holding a Master of Science in Viticulture and Enology from UC Davis. A California native, he found his calling in the wine industry and planted roots in Napa. Miller is dedicated to crafting Oakville Cabernet that not only showcases the terroir of the estate's 42 acres, but also to crafting Oakville Cabernet Sauvignon in the PlumpJack style.

"My goal is always to make wine that is strong enough to stand on its own, yet elegant enough to be enjoyed with food," says Miller. "The soil profile at PlumpJack allows for such complexity – simultaneously light and dense. That diversity necessitates preparedness. When it comes to winemaking, I think ten steps ahead, and then act. Being well prepared is critical in order to find the balance between the science and the art of winemaking."

Miller graduated from UC Davis with a Bachelor of Science in Neurobiology, Physiology, and Behavior before continuing on to receive his Masters. After being published in the American Journal of Enology and Viticulture and interning in Italy and New Zealand, Miller held positions at Groth Winery and Lewis Cellars. Miller, a lifelong fermenter, can often be found brewing beer and making cheese when not spending his spare time with his wife and family.

2020 PlumpJack Reserve Chardonnay, Napa Valley

VINTAGE

The Napa Valley had very low rainfall heading into the 2020 growing season. Overall, our vines had shorter shoot growth than is typical and our crop was smaller than normal. With a light crop and warmer spring and summer, the Chardonnay harvest got off to an early start. The grapes were quite small, and the flavors were very concentrated, and this concentration and depth of flavor was captured in the resulting wine.

VINEYARDS

Our Chardonnay grapes are grown in two vineyards in the Napa Valley – one in Los Carneros and the other in St. Helena. At just 30 miles apart, Los Carneros can be 10–15 degrees cooler than St Helena. Due to this difference in temperature along with important differences, such as soil type, these two vineyard sites vary greatly in character and expression. When blended, these differences in expression add layers and layers of flavor to the nose and palate.

Aaron Miller, PlumpJack Estate Winemaker

FERMENTATION & AGING

Our Reserve Chardonnay was fermented and aged in 64% stainless steel tanks and 36% French oak Burgundy barrels. These fermentations were kept cool at 52–55°F to preserve the fresh fruit aromatics. The use of stainless steel also helps to retain the fresh, varietal character, while the oak adds depth and complexity. We do not allow this wine to undergo malolactic fermentation so that we can preserve the vibrant and lively acid on the palate along with the fresh aromatics.

WINEMAKER IMPRESSIONS

The nose of the 2020 PlumpJack Chardonnay opens with a range of citrus notes – lemon, orange zest, pomelo, and key lime. Just behind these are the rich tropical notes of lychee and feijoa along with the sweeter, more delicate aromatics of white peach and honeysuckle. Underneath all of this is a hint of toasted hazelnuts and spice. The palate has similar flavors and a creamy texture reminiscent of lemon curd. The vibrant and bright acidity balances the creaminess and gives this wine life. This acidity, along with the beautiful structure, delivers an enduring finish.

Production: 3,534 Cases

Varietals: 100% Chardonnay

Alcohol: 14.2%

2021 PlumpJack Reserve Chardonnay, Napa Valley

VINTAGE

The Napa Valley received only about one-third of our average rainfall in 2021 and it showed in the vineyards. The vines were stressed, and yields were extremely low. While this isn't good for business, it's great for wine quality. The grapes were small, and flavors were highly concentrated, which allowed us to craft wines of great intensity and depth. And with the deft hands of our winemaking team, we were able to maintain focus, precision, elegance, and beauty in these wines.

VINEYARDS

Our Chardonnay grapes are grown in two vineyards in the Napa Valley – one in Los Carneros and the other in St. Helena. At just 30 miles apart, Los Carneros can be 10–15 degrees cooler than St Helena. Due to this difference in temperature along with important differences, such as soil type, these two vineyard sites vary greatly in character and expression. When blended, these differences in expression add layer upon layer of flavor to the nose and palate creating a beautiful and complex Chardonnay.

FERMENTATION & AGING

Our Reserve Chardonnay was fermented and aged in 63% stainless steel tanks and 37% French oak Burgundy barrels. The fermentations were kept cool at 52–55°F to preserve the fresh fruit aromatics. The use of stainless steel also helps to retain the fresh, varietal character, while the oak adds depth and complexity. We do not allow this wine to undergo malolactic fermentation so that we can preserve the vibrant and lively acid on the palate along with the fresh aromatics.

WINEMAKER IMPRESSIONS

The 2021 PlumpJack Chardonnay boasts aromatics of baked pear and apple layered with tropical notes of kiwi, lychee, and melon, while still allowing the more delicate aromas of white peach and honeysuckle to shine through. The palate has ample weight and a creaminess reminiscent of a lemon curd, which is beautifully balanced by a bright and lively acidity that lends this wine it's energy and length.

Production: 3,254 Cases

Varietals: 100% Chardonnay

Alcohol: 14.2%

2018 PlumpJack Merlot, Napa Valley

VINTAGE

The strategy for the 2018 vintage was patience. The spring was cooler than the last several years. The vines woke up a little later, grew more slowly, bloomed later, and veraison was later. Cooler than normal temperatures persisted throughout the summer and into fall. And the grapes ripened very, very, very slowly. Weeks would pass with little progress. Flavors were slow to develop, and the grapes remained firm and the skins thick. Rains threatened the vintage with about 1.5 inches falling on October 1st. More rains were forecast to follow, but they did not develop. Fortunately, the weather warmed in October, and we were able to allow the grapes hang until they reached maturity.

VINEYARD

Our Merlot vineyard is in the Oak Knoll region of Napa Valley, nestled up to the Mayacamas Mountain Range on the west side of the valley. The mild climate and alluvial soils in this region lend this wine great balance and structure. The mild temperatures allow these grapes to develop bright aromatics and flavors, along with a beautiful natural acidity and elegance. The alluvial soils bring darker fruits to the nose and palate and give this wine its structure and concentration.

FERMENTATION & AGING

Our Merlot grapes cold soaked for three to five days before the onset of fermentation. The fermentation was then allowed to reach a maximum temperature of 92°F and pressed off the skins after 8–10 days. The wine was then moved into oak barrels where they underwent malolactic fermentation. Seventy percent of these barrels were new barrels, and the balance were once-filled barrels. Ninety percent of our Merlot barrels were French Oak Bordeaux barrels and 10% were American Oak barrels.

WINEMAKER IMPRESSIONS

The 2018 vintage has a beautiful and complex nose – black cherry, boysenberry jam, plum, and fresh cut flowers come through first, then cardamom, nutmeg, and a touch of cocoa and vanilla enter giving the nose depth and intrigue. The palate too has great depth and complexity – flavors of red cherries, muddled berries, and dried herbs, with a creamy texture and silky tannin complimented by a fresh, vibrant acidity.

Production: 5,930 Cases
Varietals: 94% Merlot

4% Cabernet Sauvignon

2% Malbec

2019 PlumpJack Merlot, Napa Valley

VINTAGE

Near record rainfall. Late budbreak. Late bloom. Late veraison. Late ripening. For the second vintage in a row, the key to the vintage was patience. The vines emerged from their dormancy later than is typical and they reached all their milestones later as well. As in 2018, it seemed the grapes would never ripen. So, we waited. Then, in early October, everything began to change. The flavors in the grapes grew deeper and richer, the skins began to grow thinner, and the color of the grapes was more easily extracted from the skins. Our patience paid off and the resulting wines are just stunning.

VINEYARD

Our Merlot vineyard is in the Oak Knoll region of Napa Valley, nestled up to the Mayacamas Mountain Range on the west side of the valley. The mild climate and alluvial soils in this region lend this wine great balance and structure. The mild temperatures allow these grapes to develop bright aromatics and flavors, along with a beautiful natural acidity and elegance. The alluvial soils bring darker fruits to the nose and palate and give this wine its structure and concentration.

Production: 5,378 Cases
Varietals: 97% Merlot

3% Cabernet Sauvignon

FERMENTATION & AGING

Our Merlot grapes were cold soaked for three to five days before the onset of fermentation. The fermentation was then allowed to reach a maximum temperature of 92°F and pressed off the skins after 8–10 days. The wine was then moved into oak barrels where they underwent malolactic fermentation.

Seventy percent of these barrels were new barrels, and the balance were once-filled barrels. Ninety percent of our Merlot barrels were French Oak Bordeaux barrels and 10% were American Oak barrels. The coopers used include Sylvain, Taransaud, Nadalie, and Demptos. A touch of Malbec was added to the blend to add depth and weight to the palate. The Merlot was aged for 18 months before bottling.

WINEMAKER IMPRESSIONS

The 2019 vintage has a beautiful and complex nose layers of black cherry, boysenberry, black currant, and fresh cut flowers come through first, followed by cinnamon, cardamom, nutmeg, and a touch of cocoa. The palate, too, has great depth and complexity flavors of black cherries, muddled berries, dried herbs, and dark chocolate. The palate has a creamy texture and silky tannin complimented by a fresh, vibrant acidity that lends this wine great length.

2018 PlumpJack Syrah, Napa Valley

VINTAGE

The strategy for the 2018 vintage was patience. The spring was cooler than the last several years. The vines woke up a little later, grew more slowly, bloomed later, and veraison was later. Cooler than normal temperatures persisted throughout the summer and into fall. And the grapes ripened very, very, very slowly. Weeks would pass with little progress. Flavors were slow to develop, and the grapes remained firm and the skins thick. Rains threatened the vintage with about 1.5 inches falling on October 1st. More rains were forecast to follow, but they did not develop. Fortunately, the weather warmed in October, and we were able to allow the grapes hang until they reached maturity.

FERMENTATION & AGING

We destemmed and fermented 63% percent of the grapes in stainless steel tanks where they cold-soaked for 4 days. Then, they fermented at a maximum of 92°F and were pressed off the skins after 8–10 days. The remaining 37% was whole-cluster fermented in open-top tanks and barrels, fermented at a maximum temperature of 87°F, and pressed off the skins after 7–8 days. The wine was transferred to French Oak Burgundy barrels where it underwent malolactic fermentation, then kept on heavy lees for several months, stirred twice a month. The coopers used were Francois Freres, Meyrieux, and Sirugue (78% new). The wine was aged for 16 months prior to bottling.

WINEMAKER IMPRESSIONS

Our 2018 Syrah was grown in the cooler Carneros region of the Napa Valley. This cooler climate lends this wine its defining characteristics. The nose is packed with spices and white pepper, plum, blackberry, blueberry, and red cherry, and underneath, there is a suggestion of grilled meats. The flavors on the pallet are plum, berries, spices, and peppercorn with blueberries and cocoa lingering on the finish. The palate is full and rounded with firm tannin and a beautiful acid providing the backbone and length.

Production: 1,604 Cases
Varietals: 100% Syrah

Alcohol: 15%

Aaron Miller, PlumpJack Estate Winemaker

2019 PlumpJack Syrah, Napa Valley

VINTAGE

Near record rainfall. Late budbreak. Late bloom. Late veraison. Late ripening. For the second vintage in a row, the key to the vintage was patience. The vines emerged from their dormancy later than is typical and they reached all their milestones later as well. As in 2018, it seemed the grapes would never ripen. So, we waited. Then, in early October, everything began to change. The flavors in the grapes grew deeper and richer, the skins began to grow thinner, and the color of the grapes was more easily extracted from the skins. Our patience paid off and the resulting wines are just stunning.

FERMENTATION & AGING

We destemmed and fermented 52% of the grapes in stainless steel tanks and 23% in concrete tanks. The grapes were coldsoaked for 4 days, fermented at a maximum temperature of 92°F, and pressed off the skins after 8-10 days. The remaining 25% was whole-cluster fermented in open-top tanks and barrels, fermented at a maximum temperature of 87°F, then pressed off the skins after 6–9 days and transferred to French Oak Burgundy barrels where it underwent malolactic fermentation. The wine was kept on heavy lees for several months and stirred once a month. The coopers used were Francois Freres, Meyrieux, and Sirugue, 73% new. The wine was aged in these barrels for 16 months prior to bottling.

WINEMAKER IMPRESSIONS

This Syrah is truly a wine of place, and the character of this wine is dictated by the cooler climate of the Los Carneros growing region. The cooler weather helps the Syrah to fully develop ripe fruit character while retaining freshness and incredible spice. The nose on the 2019 PlumpJack Syrah opens up with a range of fresh berries – blackberry, blueberry, boysenberry, and cranberry. Just behind the fruit is beautiful warming spice – cardamom, cinnamon, and nutmeg – along with black and white peppercorn. There are additional layers of more earthy notes – damp soil, crushed granite, and cured tobacco. The palate is full-bodied, with a round, silky texture that is beautifully framed by firm yet supple tannin. This is a beautiful and complex wine.

Production: 1,084 Cases

Varietals: 100% Syrah

Alcohol: 15.2%

Aaron Miller, PlumpJack Estate Winemaker

2018 PlumpJack Estate Cabernet Sauvignon, Oakville

VINTAGE

The strategy for the 2018 vintage was patience. The spring was cooler than the last several years. The vines woke up a little later, grew more slowly, bloomed later, and veraison was later. Cooler than normal temperatures persisted throughout the summer and into fall. And the grapes ripened very, very, very slowly. Weeks would pass with little progress. Flavors were slow to develop, and the grapes remained firm and the skins thick. Rains threatened the vintage with about 1.5 inches falling on October 1st. More rains were forecast to follow, but they did not develop. Fortunately, the weather warmed in October, and we were able to allow the grapes hang until they reached maturity.

FERMENTATION & AGING

The Estate grapes were cold soaked for 3–4 days and then fermented up to a maximum temperature of 94 degrees. The wines were drained off the skins after a total maceration of 7 – 12 and racked to barrel to undergo malolactic fermentation and to age. This wine was aged in 100% French oak barrels, 78% of which were new. The coopers used were primarily Sylvain, Taransaud, Cavin, and Nadalie. The cooperage is a blend of medium, medium-plus, and heavy toast barrels from a variety of forests. This blend of coopers, forests, and toasts adds layers and aromatic complexity to the wine.

WINEMAKER IMPRESSIONS

The cooler vintage allows more of the red fruits to shine in the 2018 PlumpJack Estate Cabernet Sauvignon. The nose shows aromas of ripe cherry and raspberry, rose petal, anise, and a touch of blueberry and blackberry underneath. The barrels add layers of vanilla, toffee, nutmeg, cardamom, and cedar. These flavors come through on the palate as well, which is silky upon entry with a mouth-filling mid-palate, and showcases big and bold, yet fine and velvety, tannins throughout. The finish lingers for an eternity and eventually leaves you with the impression of baker's chocolate and espresso.

Production: 7,683 Cases

Varietals: 88% Cabernet Sauvignon

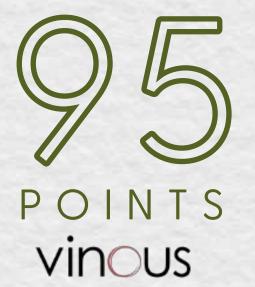

7% Malbec

5% Petit Verdot

Alcohol: 15.2%

Aaron Miller, PlumpJack Estate Winemaker

The 2018 Cabernet Sauvignon Estate is every bit the charmer it was last year. Sumptuous and bold, with bright acids, the 2018 is absolutely gorgeous. I especially admire the energy and vibrancy here. Black cherry, plum, spice and new leather build into the vivid, beautifully delineated finish. In a word: Superb.

Displays a deep garnet-purple color and fragrant notes of Black Forest cake, crème de cassis and wild blueberries with nuances of red roses, Chinese five spice, camphor and black olive plus a hint of charcoal. Full-bodied, the decadently rich fruit has impressive freshness lifting the palate along with firm, finely grained tannins, finishing long and fragrant.

2019 PlumpJack Estate Cabernet Sauvignon, Oakville

VINTAGE

Near record rainfall. Late budbreak. Late bloom. Late veraison. Late ripening. For the second consecutive vintage, the key to the vintage was patience. The vines emerged from their dormancy later than is typical and they reached all their milestones later as well. As in 2018, it seemed the grapes would never ripen. So, we waited. Then, in early October, everything began to change. The flavors in the grapes grew deeper and richer, the skins began to grow thinner, the tannin became less astringent, and the color of the grapes was more easily extracted from the skins. Our patience paid off and the resulting wines are stunning.

FERMENTATION & AGING

The Estate grapes were cold soaked for 4–6 days to coax out more color while maintaining a velvety tannin. The grapes were then fermented up to a maximum temperature of 94 °F. The wines were drained off the skins after a total maceration of 9–12 days and racked to barrel to undergo malolactic fermentation and to age. This wine was aged in 100% French oak barrels, 73% of which were new. The coopers used were primarily Sylvain, Taransaud, Cavin, and Nadalie—a blend of medium, medium-plus, and heavy toast barrels from a variety of forests, adding layers and aromatic complexity to the wine. The Estate Cabernet Sauvignon was bottled after 20 months of aging.

WINEMAKER IMPRESSIONS

The nose of the 2019 PlumpJack Estate Cabernet Sauvignon bursts with juicy fruits – blackberry, dark plum, boysenberry, and muddled raspberries. These fruit aromas mingle with notes of cardamom, cinnamon, molasses, damp earth, iron, and sage. The palate has a gorgeous, silky entry also expressing notes of blackberry, plum, spice, molasses, and sage. The wine is beautifully structured with finely integrated, velvety tannin, and finishes exceptionally long.

Production: 7,672 Cases

Varietals: 89% Cabernet Sauvignon

6% Petit Verdot

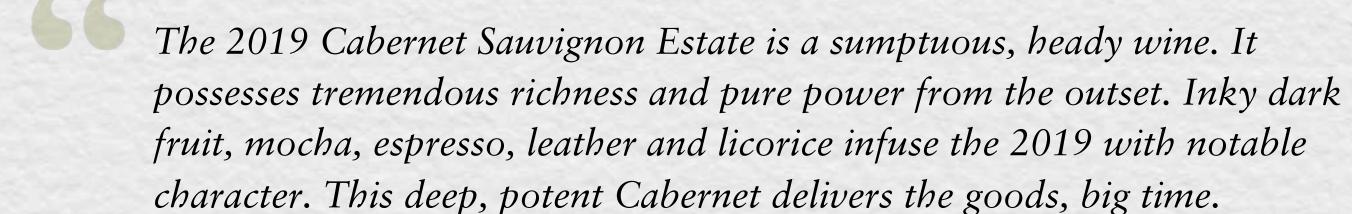

5% Malbec

Alcohol: 15.4%

Aaron Miller, PlumpJack Estate Winemaker

The 2019 Cabernet Sauvignon Estate is a blend of 89% Cabernet Sauvignon, 6% Petit Verdot and 5% Malbec. Deep garnet-purple in color, it charges out of the gate with bold blackcurrant and blackberry preserves scents, plus hints of tilled soil, truffles and unsmoked cigars. The full-on opulent, rich, velvety palate is decadently laden with black fruit preserves and earthy accents, finishing long with a lively lift.

2018 PlumpJack Reserve Cabernet Sauvignon, Oakville

VINTAGE

The strategy for the 2018 vintage was patience. The spring was cooler than the last several years; vines woke up a later, grew slower, bloomed later, and veraison was later. Mild temperatures persisted throughout the summer and fall, with the grapes ripening very slowly—weeks would pass with little progress. Flavors were slow to develop, and the grapes remained firm and the skins thick. Rains threatened the vintage with about 1.5 inches falling on October 1st with more rain in the forecast, which did not develop. The weather warmed in October, and the grapes hung until they reached maturity. Our last grapes came through the cellar door on November 6th, which was the latest close to the harvest in our history.

FERMENTATION & AGING

The 2018 PlumpJack Reserve Cabernet Sauvignon is a blend of 96% Cabernet Sauvignon and 4% Petit Verdot sourced from the gravelly I & K blocks on the east side of our estate. These blocks were subdivided and picked into smaller lots to ensure the grapes were at peak maturity. The grapes were cold soaked then fermented at a maximum temperature of 94°F and pressed once the wines obtained the desired flavor, concentration, and tannin. The wines were then racked to 100% new French oak Sylvain, Darnajou, and Taransaud barrels for malolactic fermentation and aged for 22 months prior to bottling.

WINEMAKER IMPRESSIONS

The long growing season in 2018 allowed these grapes to fully develop rich, dark flavors, while the mild temperatures preserved deeply hued color, great structure, and concentration. The nose begins with blackberry, boysenberry, and cassis layered with mocha and dark chocolate. Then some spice and herb come forward – cinnamon, nutmeg, graham cracker, and fresh sage and mint – adding layers, complexity, and depth to the nose. These flavors come through on the palate as well along with silky smooth, finely integrated tannin, beautiful acidity and freshness, and a long finish.

Production: 798 Cases

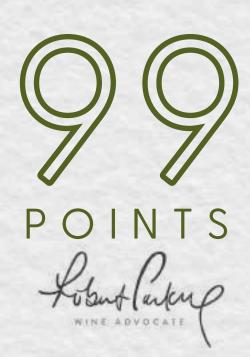

Varietals: 96% Cabernet Sauvignon

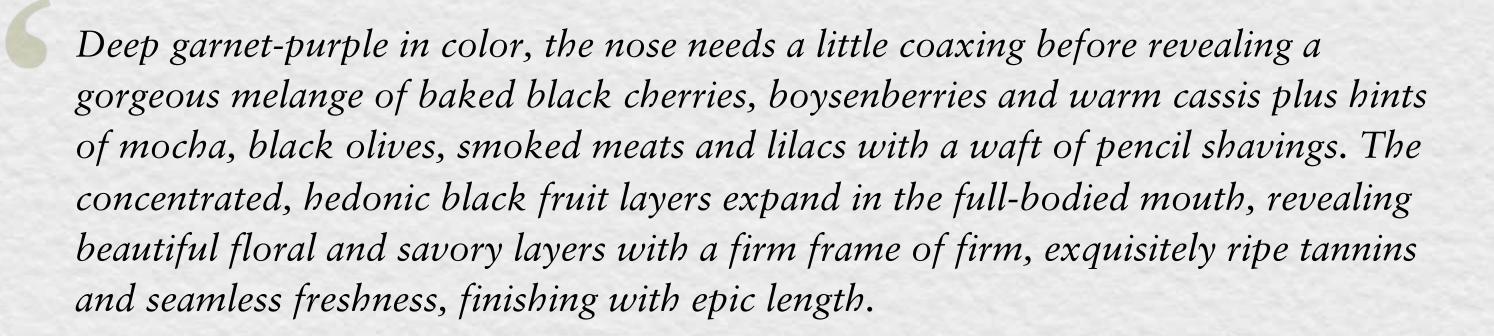

4% Petit Verdot

Alcohol: 15.6%

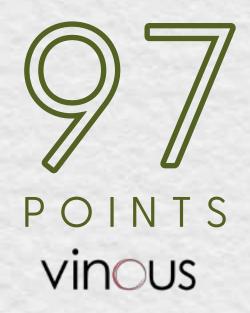

Aaron Miller, PlumpJack Estate Winemaker

More pure crème de cassis, toasted spices, camphor, graphite, and a touch of acacia flowers emerge from the 2018 Cabernet Sauvignon Reserve, which is a much smaller production cuvée from the estate's vineyard in Oakville. Full-bodied, brilliantly textured, and flawlessly balanced, it has ripe tannins, integrated acidity, and the vintage's more pure, elegant, seamless character front and center. It will probably merit a triple-digit rating in 5-6 years and keep for three decades in cold cellars. This is pure class.

The 2018 Cabernet Sauvignon Reserve is a seriously beautiful wine that captures all the magic of this part of Oakville. Creamy, ample and layered, with tons of energy, the Reserve is thrilling in every way. Bright acids lend energy to the dark red-toned fruit flavors, with hints of spice, new leather and rose petal that linger on the finish. Impressive.

2021 Plump Jack Reserve Chardonnay, Napa Valley The 2021 PlumpJack Chardonnay boasts aromatics of baked pear and apple layered with tropical notes of kiwi, lychee, and melon, while still allowing the more delicate aromas of white peach and honeysuckle to shine through. The palate has ample weight and a creaminess reminiscent of a lemon curd, which is beautifully balanced by a bright and lively acidity that lends this wine it's energy and length.

2019 PlumpJack Merlot, Napa Valley

94 POINTS | JEB DUNNUCK

The 2019 vintage has a beautiful and complex nose layers of black cherry, boysenberry, black currant, and fresh cut flowers come through first, followed by cinnamon, cardamom, nutmeg, and a touch of cocoa. The palate, too, has great depth and complexity flavors of black cherries, muddled berries, dried herbs, and dark chocolate. The palate has a creamy texture and silky tannin complimented by a fresh, vibrant acidity that lends this wine great length.

2019 PlumpJack Syrah, Napa Valley

97 POINTS | JEB DUNNUCK

This cooler climate lends this wine its defining characteristics. The nose is packed with spices and white pepper, plum, blackberry, blueberry, and red cherry, and underneath, there is a suggestion of grilled meats. The flavors on the pallet are plum, berries, spices, and peppercorn with blueberries and cocoa lingering on the finish. The palate is full and rounded with firm tannin and a beautiful acid providing the backbone and length.

2019 PlumpJack Estate Cabernet Sauvignon, Oakville

96 POINTS | ANTONIO GALLONI

The 2019 Cabernet Sauvignon Estate is a sumptuous, heady wine. It possesses tremendous richness and pure power from the outset. Inky dark fruit, mocha, espresso, leather and licorice infuse the 2019 with notable character. This deep, potent Cabernet delivers the goods, big time.

2018 PlumpJack Reserve Cabernet Sauvignon, Oakville

99 POINTS | ROBERT PARKER

The 2018 Cabernet Sauvignon Reserve is a blend of 96% Cabernet Sauvignon and 4% Petit Verdot. Deep garnet-purple in color, the nose needs a little coaxing before revealing a gorgeous melange of baked black cherries, boysenberries and warm cassis plus hints of mocha, black olives, smoked meats and lilacs with a waft of pencil shavings. The concentrated, hedonic black fruit layers expand in the full-bodied mouth, revealing beautiful floral and savory layers with a firm frame of firm, exquisitely ripe tannins and seamless freshness, finishing with epic length.

With a strong tradition of producing award-winning wines over the last 40 years, the Stags Leap AVA is known as one of the most prestigious growing regions in the Napa Valley.

Odette Estate is the PlumpJack Group's second LEED Gold Certified winery. With its unique microclimates, soil types and position on the valley floor, the Stags Leap District was one of the first appellations to be designated as an AVA based on the unique terroir characteristics of its soil. The soils of this region include loam and clay sediments from the Napa River and volcanic soil deposits left over from erosion of the Vaca Mountains.

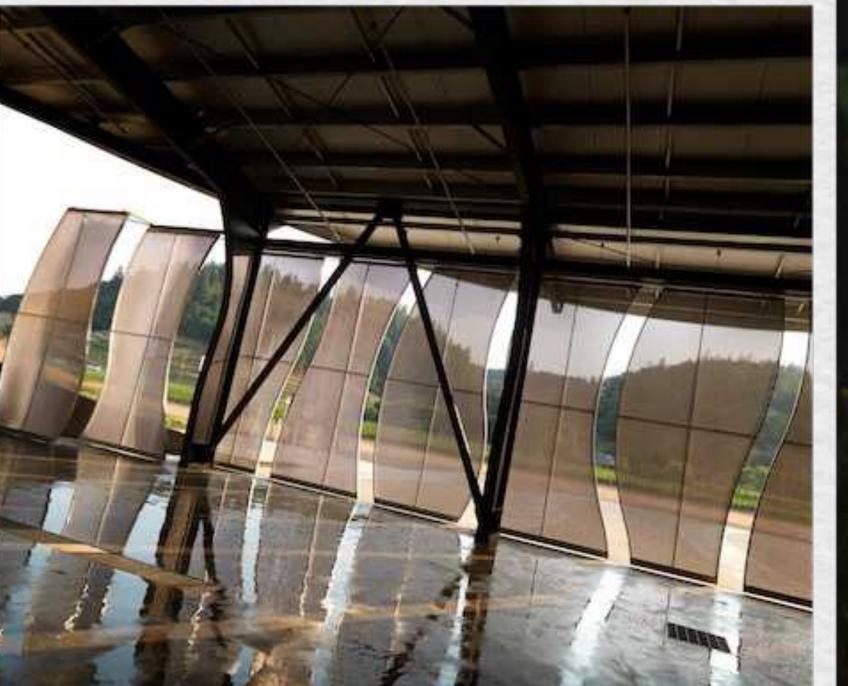

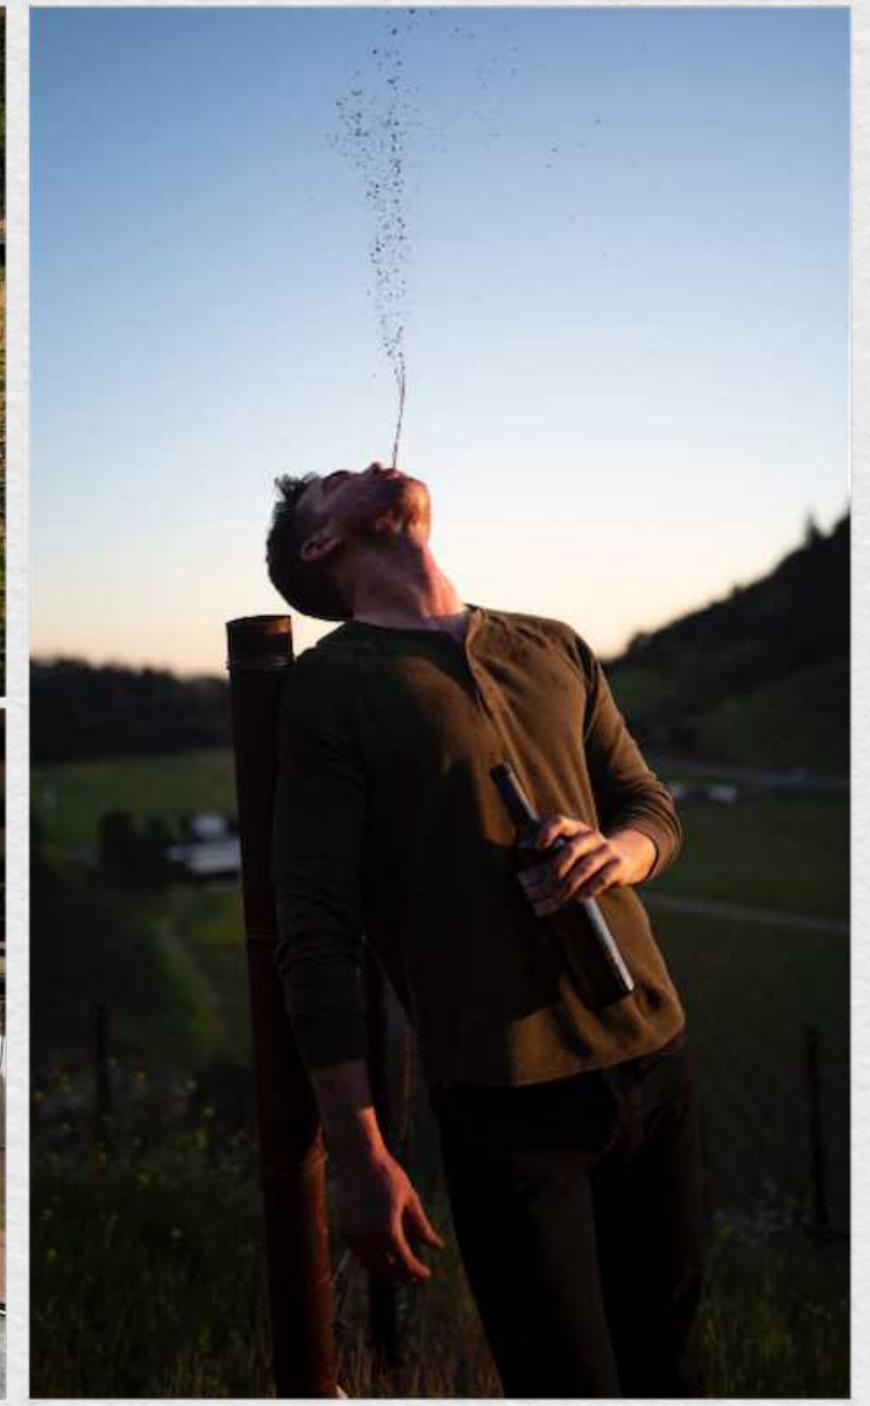

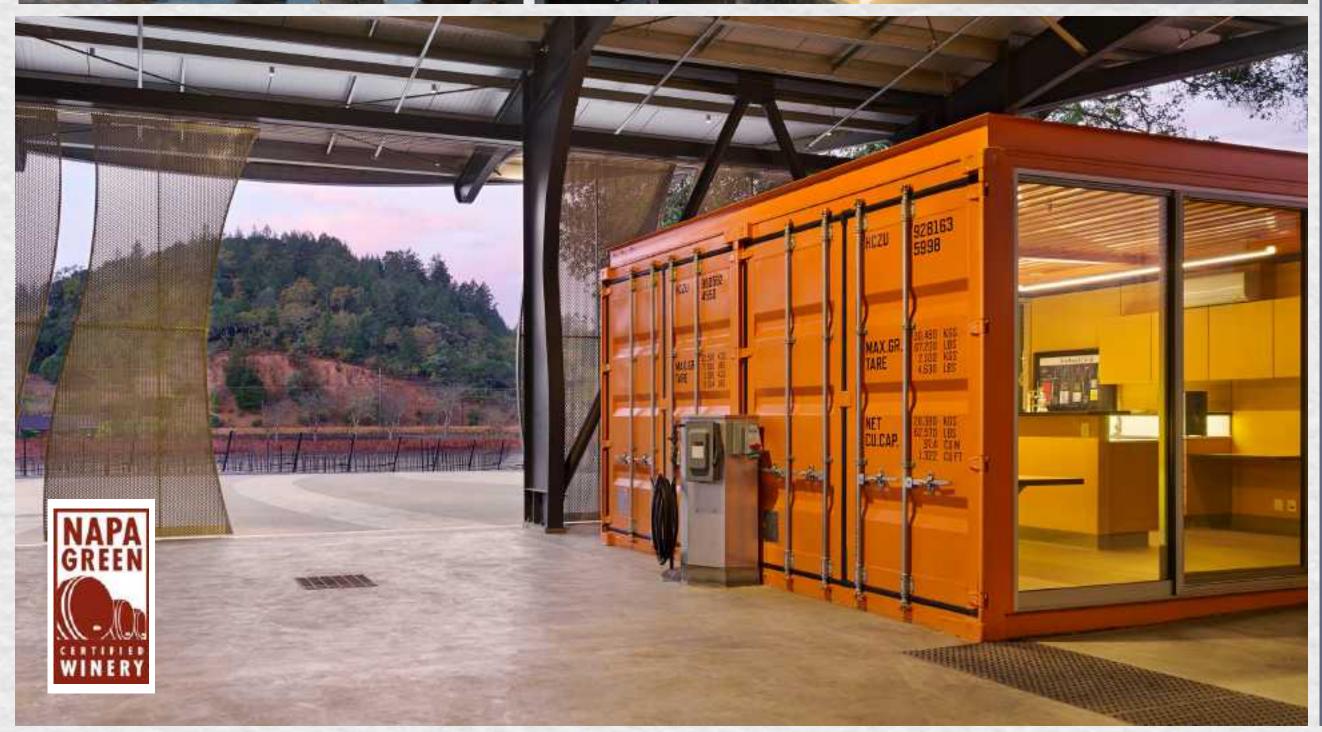

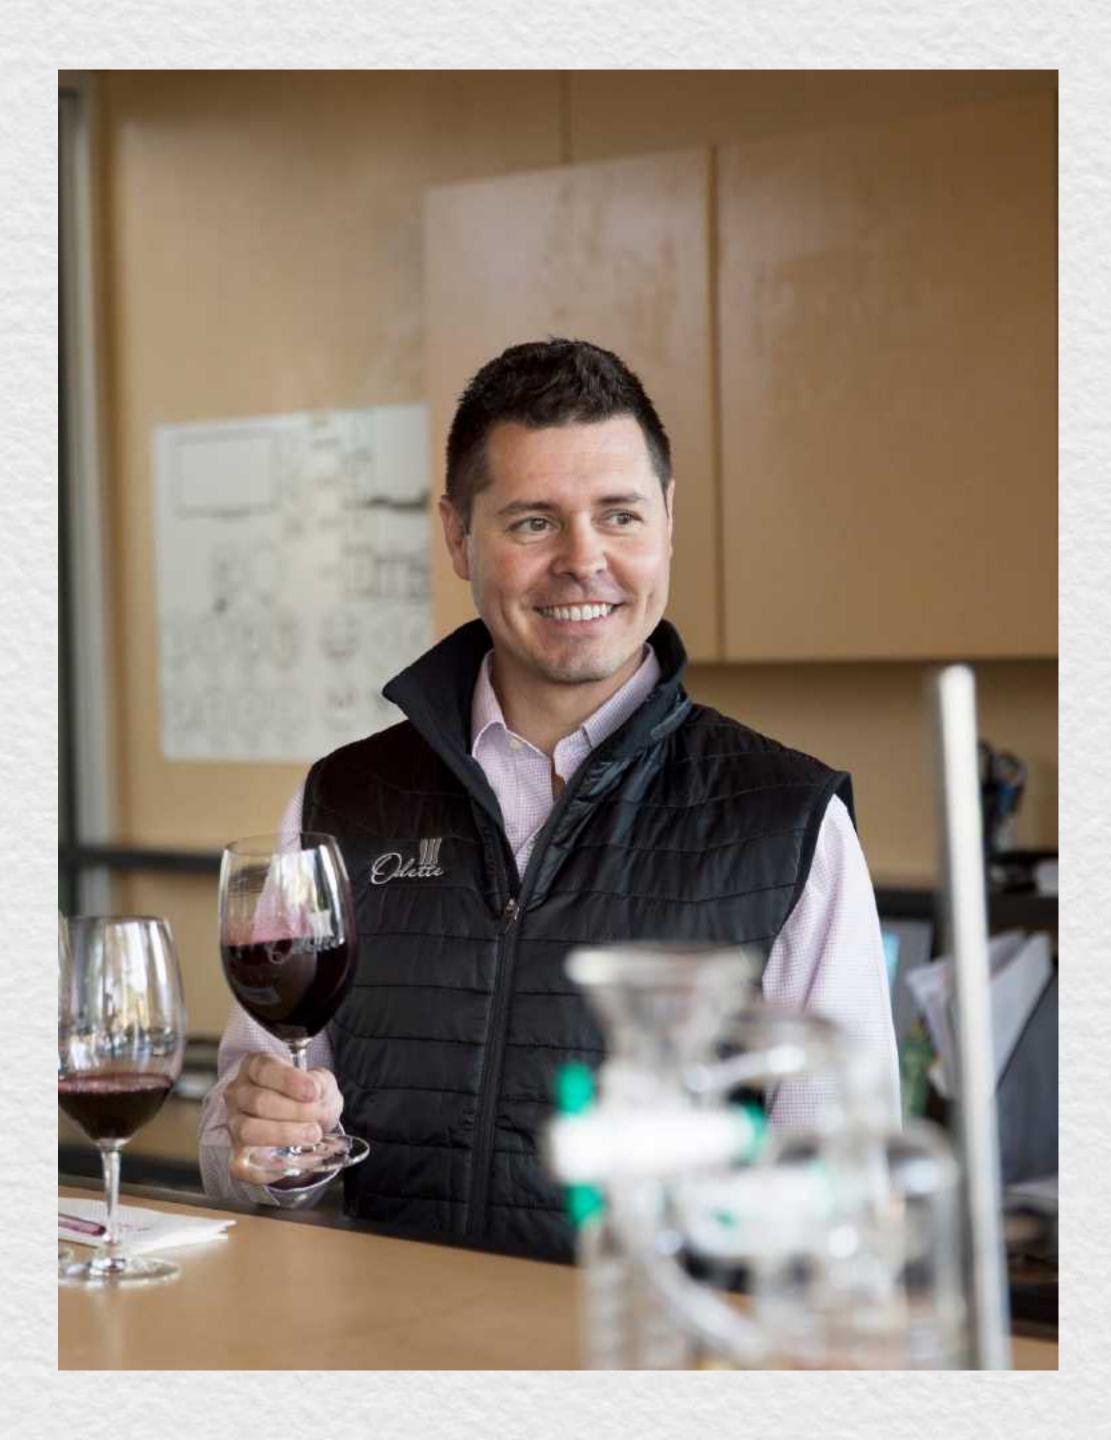

MINIMIZING OUR FOOTPRINT WITH A STATE OF THE ART WINERY

- ✓ Winery structure composed of recycled steel
- ✓ Unconditioned winery
- ✓ Individual temperature-controlled fermentation tanks
- ✓ Repurposed shipping containers
- ✓ Living Roof
- ✓ Solar Panels
- ✓ Drought resistant landscaping
- ✓ Bike racks and electric car charging stations
- ✓ 300,000-gallon underground cistern to capture ground water

Meet Jeff Owens

WINEMAKER, ODETTE ESTATE WINERY & ADAPTATION

A longtime member of the PlumpJack family, Jeff Owens directs the winemaking at our Stags Leap Estate, Odette, with incredible passion and great detail to his craft. A 2005 graduate of Cal Poly: San Luis Obispo, Jeff was part of the first graduating class in Wine & Viticulture at the University.

Spending his first harvest internship at the highly respected Cakebread Cellars here in Napa Valley, Jeff wanted an opportunity to work at a more boutique facility. After a great deal of research, Jeff handpicked a select group of wineries to apply to—one of which was PlumpJack. Hired initially as a cellar worker in early 2006, Jeff quickly rose up through the ranks becoming a vital member of the winemaking team. Promoted to Enologist, followed by Assistant Winemaker for PlumpJack, Jeff gained an intimate knowledge of the property, as well as winemaking.

In 2010 Jeff was presented an opportunity to move to Howell Mountain as CADE's Assistant Winemaker. With CADE's addition to the PlumpJack portfolio, the new winery provided an opportunity for Jeff to further expand his winemaking expertise. After two harvests on Howell Mountain, yet another opportunity for growth presented itself to Jeff with the purchase of a 3rd winery by PlumpJack, this one located in Stags Leap. Beginning in February of 2012, Jeff was named Head Winemaker for the new property—Odette Estate.

ADAPTATION www.mes

Petite Sirah

NAPA VALLEY

Big, bold and loaded with fruit, our Petite Sirah is sourced from vineyards planted in the warmest pockets of the northern Napa Valley.

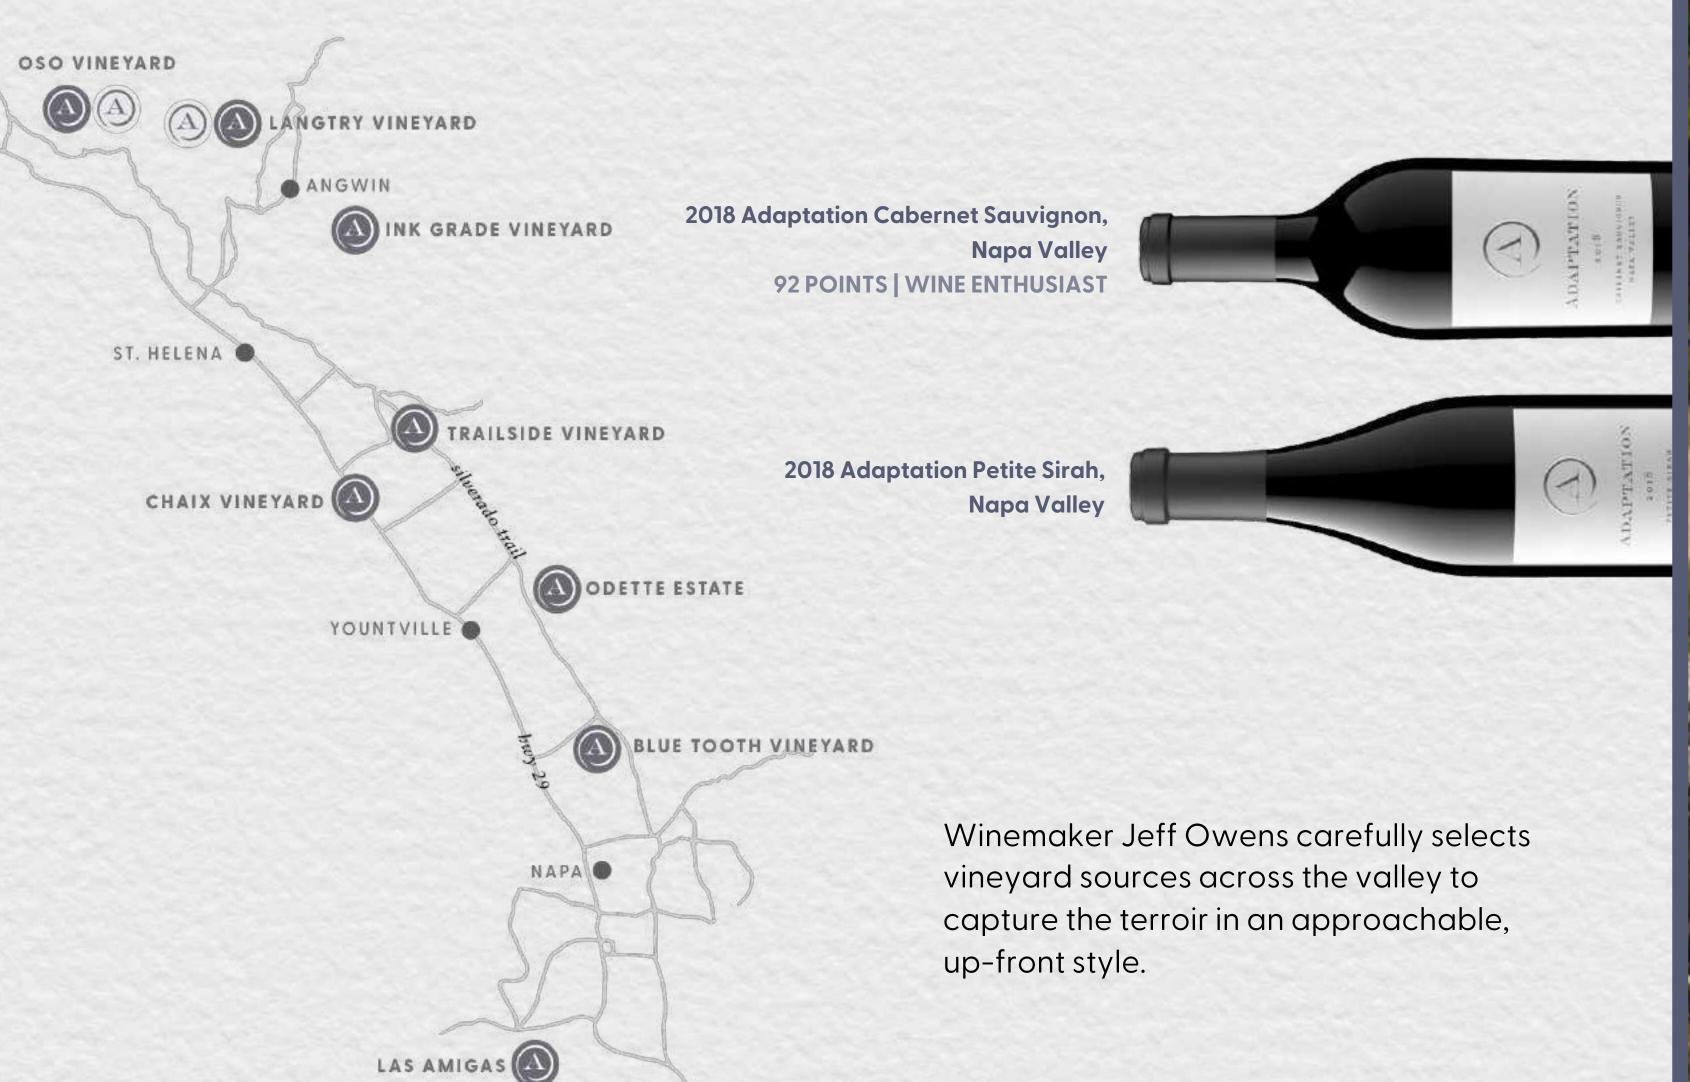

Cabernet Sauvignon

NAPA VALLEY

A true celebration of the entire Napa Valley, this wine is crafted from five renowned Napa Valley vineyards ranging from Calistoga to Oak Knoll.

We pride ourselves on producing wine that reflects the unique characteristics of the place from which it's grown. Carefully crafted at our LEED Gold Certified estate winery in the Stags Leap District, our Adaptation wines demonstrate the diversity and range within Napa Valley.

2018 Adaptation Cabernet Sauvignon, Napa Valley

VINTAGE

In 2018 we continued to work closely with our favorite local growers throughout the broader Napa Valley. The backbone of this blend comes from Ink Grade (on the back side of Howell Mountain), which provides the framework and structure to carry this wine. This site is complemented by Oso Vineyard, which is in very close proximity, our Estate Vineyard in the Stags Leap District, Blue Tooth Vineyard down the road from Odette in Oak Knoll, and Las Amigas Vineyard in Carneros. These sites come together in unison to create a beautiful expression of Cabernet Sauvignon. This diversity and range in Napa Valley has allowed us to craft a wine which showcases the unique terroir in an approachable, elegant style.

FERMENTATION & AGING

Fermentation took place in small fully jacketed stainless-steel fermenters after a 48-hour cold soak at 55°F. The stainless-steel fermenters showcase the purity of the fruit while preserving the freshness and allowing the terroir to shine. Maceration lasted 8-14 days at a maximum temperature of 92°F. Malolactic fermentation took place in barrel and finished up in late winter. The wine was aged in 50% new oak and 50% one-fill oak barrels with minimal racking for 18 months before bottling.

WINEMAKER IMPRESSIONS

The 2018 Adaptation Cabernet Sauvignon is opaque purple in color, presenting notes of wild blackberries, luxardo cherries, plums, creme de cassis with hints of fresh spring flowers. This full-bodied expression displays beautiful ripeness with elegant, very fine, well integrated tannins and a gorgeous silky texture. Built for near term appreciation and long-term potential, this forward, upfront and approachable style can be enjoyed over the next decade+.

Varietals: 80% Cabernet Sauvignon

18% Merlot

2% Petite Sirah

Alcohol: 14.6%

Jeff Owens, Odette Estate & Adaptation Winemaker

This is sourced from a range of sites across the valley and blended with 18% Merlot and 2% Petite Sirah, designed to be enjoyed in its youth. Sweet oak supports a soft, integrated and full-bodied core of cassis, dark cherry, cedar and clove, with a moderate grip of oak and tannin.

Intense, with boysenberry, blackberry and plum compote flavors gliding through. Framed by ganache and roasted vanilla notes and backed by a licorice-coated finish. For fans of the style. Drink now through 2025. 25,000 cases made.

2018 Adaptation Petite Sirah, Napa Valley

VINEYARDS

This Petite Sirah is crafted from two complimentary vineyards in the Napa Valley. Oso Vineyard which is located between Howell Mountain and Sugarloaf on the east side of Napa, and Langtry Vineyard located just outside of Pope Valley in the Northeastern corner of the Napa Valley. These two vineyards marry perfectly together by bringing power, elegance, structure and grace into one, resulting in a beautiful expression of the most underrated varietals in Napa Valley.

FERMENTATION & AGING

Fermentation took place in small fully jacketed stainless-steel fermenters after a 48-hour cold soak at 55°F. The stainless-steel fermenters showcase the purity of the fruit while preserving the freshness and allowing the terroir to shine. Maceration lasted 7-14 days at a maximum temperature of 92°F. Malolactic fermentation took place in barrel and finished up in late winter. The wine was aged in 50% new Burgundian oak barrels and 50% one-fill oak barrels with minimal racking for 18 months before bottling.

WINEMAKER IMPRESSIONS

The 2018 Petite Sirah exhibits the classic deep, dark, purple hue, unveiling wild blackberries, mulberries, black currants and crème de cassis with hints of violets, Asian spice and black tea. This full-bodied wine is graced with remarkable poise, a beautiful texture and integrated, elegant tannins leading into the long persistent finish.

Varietals: 100% Petite Sirah

Alcohol: 14.6%

Jeff Owens, Odette Estate & Adaptation Winemaker

ODETTE ESTATE

wines

I want to make the best wine possible... energetic, expressive, and approachable from day 1 to 25 years."

- JEFF OWENS, WINEMAKER

Estate Cabernet Sauvignon

STAGS LEAP DISTRICT

The Estate Cabernet is sourced from various blacks on our 45-acre Estate in the heart of the Stags Leap AVA.

Reserve Chardonnay

NAPA VALLEY

Our small production chardonnay is sourced from our friend Lee Hudson's acclaimed Carneros vineyard.

Reserve Cabernet Sauvignon

STAGS LEAP DISTRICT

The Reserve is sourced from our hillside block and the outer edges of our 45-acre Estate in the heart of the Stags Leap AVA. The vines were planted between 1979–1990, making them some of the oldest amongst the AVA.

2020 Odette Reserve Chardonnay, Napa Valley

VINEYARD

This wine is crafted from the famed Hudson Ranch off Henry Road in the Carneros AVA of Napa Valley. 2020 is the third year working with both Block 5BS and 6S. These unique blocks bring a combination of different attributes that harmonize beautifully in the final blend. The adjacent blocks are both planted to Odette Estate Winemaker Jeff Owens' favorite selection, "old shot Wente", also referred to as "chicks and hens".

VINTAGE

In 2020 Mother Nature brought us another drought year with smaller canopies and a lighter than normal crop. The growing season stayed warm throughout the summer and into the beginning of fall, resulting in an early harvest for Chardonnay. The resulting wines possess beautiful concentration and depth of flavors that are reflective of these amazing blocks and their respective terroir.

Varietals: 100% Chardonnay

Production: 26 Barrels

FERMENTATION & AGING

The grapes were handpicked at night and arrived at the winery before the sunrise to ensure that fruit purity, aromatics and freshness were retained. Both blocks were 100% whole cluster pressed on a very gentle four-hour cycle. The juice was immediately racked to French Oak barrels where both native primary and malolactic fermentation took place for over 24 weeks. Each individual barrel was sur lie aged and kept separate until the final selections were ultimately determined.

WINEMAKER IMPRESSIONS

The 2020 Odette Reserve Chardonnay was 100% barrel fermented with indigenous yeast in 70% new French Oak and sur lie aged for 16 months. The long, drawn-out fermentation, also known as the "death and resurrection," adds depth and nuances that complement the concentrated and layered palate. Offering notes of Brioche, white peach, lemon curd, roasted nuts, with hints of salinity and wet stone, this "old shot Wente" selection carries a sense of purity, elegance and class that can be enjoyed both near and long term.

2018 Odette Estate Cabernet Sauvignon, Stags Leap District

VINEYARD

Tucked into the dramatic palisades of the Stags Leap District, our estate vineyard sits on 45 magnificent acres. Ultramodern architecture and design, paired with a contemporary stance on environmental responsibility, Odette is symbolic of the future of Stags Leap. Odette is committed to producing full-bodied Cabernet Sauvignons that combine power and finesse, while simultaneously showcasing the unique terroir of the estate.

VINTAGE

The growing season was extremely steady with moderate temperatures throughout the year. We had a very even bloom with veraison finishing quickly, resulting in healthy balanced yields. Lower than normal temperatures late in the season without the threat of rain, allowed for extra high time with harvest commencing in mid-October. In 2018, we flagged 25 different picks across the Estate over a 20-day span.

Varietals: 78% Cabernet Sauvignon

10% Merlot

8% Malbec

4% Petit Verdot

Production: 4,950 Cases

FERMENTATION & AGING

Fermentation took place in fully jacketed stainless-steel fermenters after a 4-day cold soak at 55°F. Macerations lasted 8-14 days at a maximum temperature of 94°F. Malolactic fermentation took place in barrel and finished up in late winter. Each barrel was selected for the final blend in the spring of 2020. The wine was aged in 75% new and 25% used French Oak barrels for 20 months prior to bottling.

WINEMAKER IMPRESSIONS

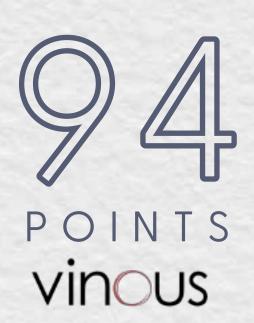

The 2018 Odette Estate Cabernet Sauvignon, Stags Leap
District is full bodied and opaque black in color, revealing bing
cherries, raspberries, blueberries, pencil lead shavings,
tobacco, dried herbs, and crushed granite. It's tightly knit core,
very fine tannins and firm structure lead way to the long and
persistent finish. Enjoy over the next 15+ years.

Jeff Owens, Odette Estate & Adaptation Winemaker

Full-bodied on the palate, this pure, plush, sexy Napa Valley Cabernet has sweet tannins, no hard edges, and a great finish. Seemingly all about sweet fruit and texture, it's nevertheless going to evolve for 20-25 years.

The 2018 Cabernet Sauvignon Estate is a powerhouse. It needs time to come together, as the elements are a bit disjointed, but there is a ton of potential, that much is clear. Dark blue/purplish berry fruit, spice, lavender, chocolate and white flowers abound. I would prefer to cellar the 2018 for a few years to allow the tannins to soften.

2019 Odette Estate Cabernet Sauvignon, Stags Leap District

VINEYARD

Tucked into the dramatic palisades of the Stags Leap District, our estate vineyard sits on 45 magnificent acres. Ultramodern architecture and design, paired with a contemporary stance on environmental responsibility, Odette is symbolic of the future of Stags Leap. Odette is committed to producing full-bodied Cabernet Sauvignons that combine power and finesse, while simultaneously showcasing the unique terroir of the estate.

VINTAGE

The growing season was extremely steady with moderate temperatures throughout the year. We had a very even bloom with version finishing quickly, resulting in healthy balanced yields. Moderate temperatures held late into the season without the threat of rain, allowing for extra high time to develop flavors and phenolic ripeness. In 2019, a total of 25 separate picks across 32 planted acres, allowing for optimal ripeness across the entire Estate.

Varietals: 84% Cabernet Sauvignon

8% Merlot 6% Malbec

2% Petit Verdot

Production: 3,100 Cases

FERMENTATION & AGING

Each micro-block was hand-picked, destemmed, and optically sorted. Fermentation took place in small 1-3 ton fully jacketed stainless-steel fermenters after a 48-hour cold soak at 40°F. Maceration lasted 8-14 days at a maximum temperature of 92°F. Malolactic fermentation took place in barrel and finished in late winter. The Estate blend was assembled in early 2020 and aged in 70% new French Oak for 20 months with minimal racking.

WINEMAKER IMPRESSIONS

The 2019 Odette Estate Cabernet Sauvignon, Stags Leap
District, offers notes of wild blackberry compote, sweet black
raspberries, black currants, crème de cassis, and licorice with
hints of violets, cloves, anise, and exotic spices. This lavish, fullbodied wine is decadent and mouth filling, with copious layers
that stain the palate. Vibrant acidity adds freshness and verve,
complimenting the purity of fruit, leading into the long persistent
finish.

Jeff Owens, Odette Estate & Adaptation Winemaker

It's a full-bodied, ripe, powerful 2019 that nevertheless stays balanced and weightless on the palate, with silky tannins and a rare level of polish and elegance. Giving up lots of pure cassis and blue fruits as well as notes of violets, underbrush, and high-class oak, it already offers pleasure yet is going to evolve gracefully for 20 years or more. If you're looking for ripe, sexy, seamless, and impeccably made Napa Valley Cabernet Sauvignon, look no further.

The 2019 Cabernet Sauvignon Estate is an especially opulent, full-throttle wine off this site. Racy and sumptuous to the core, the Estate is a terrific example of the extroverted side of the vintage. Inky fruit, chocolate, new leather and spice build as this sumptuous Cabernet shows off its curves. I imagine the 2019 will drink well with minimal cellaring.

2018 Odette Reserve Cabernet Sauvignon, Stags Leap District

VINEYARD

Tucked into the dramatic palisades of the Stags Leap District, our estate vineyard sits on 45 magnificent acres. Ultramodern architecture and design, paired with a contemporary stance on environmental responsibility, Odette is symbolic of the future of Stags Leap. Odette is committed to producing full-bodied Cabernet Sauvignons that combine power and finesse, while simultaneously showcasing the unique terroir of the estate.

VINTAGE

The growing season was extremely steady with moderate temperatures throughout the year. We had a very even bloom with version finishing quickly, resulting in healthy balanced yields. Lower than normal temperatures late in the season without the threat of rain, allowed for extra high time with harvest commencing in mid-October. In 2018, we flagged 25 different picks across the Estate over a 20-day span.

Varietals: 100% Cabernet Sauvignon

Production: 18 Barrels

FERMENTATION & AGING

Fermentation took place in fully jacketed stainless-steel fermenters after a 4-day cold soak at 55°F. Macerations lasted 8-14 days at a maximum temperature of 94°F. Malolactic fermentation took place in barrel and finished up in late winter. Each barrel was hand selected for the final blend in the spring of 2020. Only three out of the initial 25 lots were chosen, with only 18 barrels total amongst that group. The wine was aged in 100% new French Oak barrels for 22 months prior to bottling.

WINEMAKER IMPRESSIONS

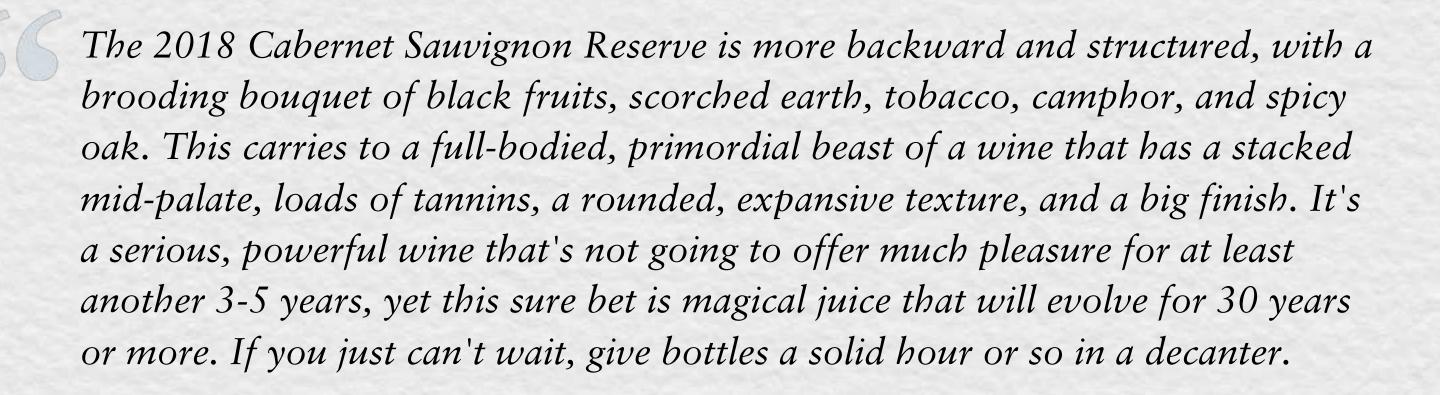

The 2018 Odette Reserve Cabernet Sauvignon, Stags Leap
District is full-bodied, multi-dimensional and seamless, with
beautifully integrated silky tannins and a commanding
presence. Carrying notes of black currants, blackberry
preserves, fresh blueberries, hints of lilacs, pencil lead shavings,
scorched

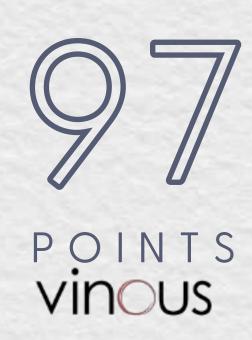

earth and tobacco. This expressive, vibrant, structured and layered Cabernet Sauvignon, is built for the long haul yet irresistible now. Enjoy over the next 20+ years.

Jeff Owens, Odette Estate & Adaptation Winemaker

The 2018 Cabernet Sauvignon Reserve is silky, perfumed and beautifully polished from start to finish. Lifted floral notes and a whole range of red/purplish berry fruits literally hover over the palate in a wine that marries power to finesse. Winemaker Jeff Owens coaxes striking nuance out of this Stags Leap site in the 2018 Reserve, a Cabernet that is incredibly sexy and alluring, even in the early going.

VINTAGE

The growing season was extremely steady, with moderate temperatures throughout the year. We had a very even bloom with veraison finishing quickly, resulting in healthy balanced yields. Mild temperatures held late into the season without the threat of rain, allowing extra hang time to develop flavors and phenolic ripeness. In 2019, 25 separate picks across 32 planted acres allowed for optimal ripeness across the entire Estate.

Varietals: 100% Cabernet Sauvignon

Production: 18 Barrels

FERMENTATION & AGING

Each micro-block was handpicked, destemmed, and optically sorted. Fermentation took place in small 1-3 ton fully jacketed stainless-steel fermenters after a 72-hour cold soak at 55°F.

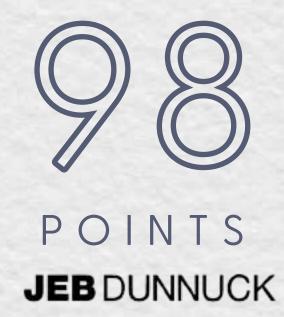

Maceration lasted 8-14 days at a maximum temperature of 92°F. Malolactic fermentation took place in barrel and finished up in late winter. Each barrel was tasted and hand-selected for this blend, which was assembled in early 2020. The wine was aged in 90% new French Oak for 22 months with minimal racking.

WINEMAKER IMPRESSIONS

The 2019 Odette Reserve Cabernet Sauvignon opens with alluring notes of wild blueberries, boysenberries, black currants, a myriad of graphite, crushed rocks, and hints of star anise and spring violets. Poised and full of energy, this opulent expression of the Stags Leap District carries a remarkable sense of purity and grace, possessing seamless fine-grained tannins and notable freshness. Enjoy over the next 25+ years.

Jeff Owens, Odette Estate & Adaptation Winemaker

Even better, 2019 Cabernet Sauvignon Reserve is up with the crème de la crème of the vintage and is magical stuff. All varietal and, I suspect, brought up in plenty of new barrels, it offers a powerful style in its ripe cassis and blueberry fruit as well as more tobacco, graphite, and leafy herb aromas and flavors. Stunningly concentrated and full-bodied, it's another one of those rare wines that brings incredible richness and depth while holding onto a sense of purity, elegance, and weightlessness. Enjoy this Napa Valley magic over the coming 15-20 years.

The 2019 Cabernet Sauvignon Reserve is quite possibly the most impressive wine I have ever tasted from Odette. It marries textural opulence and energy to a degree that is just remarkable. Copious dark fruit, new leather, spice and floral accents build effortlessly over time. I especially admire the tension and vibrancy here.

2020 Odette Reserve Chardonnay, Napa Valley

Offering notes of Brioche, white peach, lemon curd, roasted nuts, with hints of salinity and wet stone, the 2020 Odette Reserve Chardonnay, Napa Valley, carries a sense of purity, elegance and class that can be enjoyed both near and long term.

2018 Adaptation Petite Sirah, Napa Valley

The 2018 Petite Sirah exhibits the classic deep, dark, purple hue, unveiling wild blackberries, mulberries, black currants and crème de cassis with hints of violets, Asian spice and black tea. This full-bodied wine is graced with remarkable poise, a beautiful texture and integrated, elegant tannins leading into the long persistent finish.

2018 Adaptation Cabernet Sauvignon, Napa Valley 92 POINTS | WINE ENTHUSIAST

The 2018 Adaptation Cabernet Sauvignon is opaque purple in color, presenting notes of wild blackberries, luxardo cherries, plums, crème de cassis with hints of fresh spring flowers. This full-bodied expression displays beautiful ripeness with elegant, very fine, well integrated tannins and a gorgeous silky texture. Built for near term appreciation and long-term potential, this forward, upfront and approachable style can be enjoyed over the next decade+.
